Dear Valued Client,

With over 150 years of international banking experience, Standard Chartered's geographic focus and commitment to developing deep client relationships is actively driving value with a clear strategy for growth. We have a network of over 1,700 offices in 68 countries across Asia, Africa and the Middle East, making us one of the world's most international banks. Combining deep local knowledge with global capability, Standard Chartered offers the full scope of innovative, award-winning financial products and services in many of the world's fastest growing markets. Transaction Banking is an integral part of our global Wholesale Banking business which extends throughout our network. We are a top three global finance bank, number one sub-custodian in Asia and top four international cash manager. We have the largest number of client relationships in Asia – and are recognized for our unmatched on-the-ground expertise and relationship-focused approach to business.

We focus exclusively on corporate and institutional clients domiciled or conducting business in our footprint, and by aligning client coverage, sales, product management and client service around our chosen clients, can offer an approach that is unique in the industry. We look across our clients' entire "eco-system" and have the financial strength and risk appetite to support their objectives, allowing us to develop broader and deeper business opportunities with them.

Here is our latest pricing guide. This is to ensure you have full details of all our applicable tariffs as at March 2014. We would like to assure you that we have the requisite systems in place to deliver a quality assured service which is consistent, reliable and conforms to international standards.

The Standard Chartered Group is committed to building a sustainable business over the long term and is trusted worldwide for upholding high standards of corporate governance, social responsibility, environmental protection and employee diversity.
