**Note:** The above rates are applicable for the respective previous months (**July 2018 – July 2019**). Profit rates for the month of August 2019 will be announced in the beginning of September 2019. The above rates should not be taken as any prediction, projection or forecast as to the future or likely performance of the accounts

This actual profit rates are declared only for the slabs where there is account balance. For other slabs which are not mentioned in this table, you may refer to Islamic profit rate matrix which is available in branch display or in the webpage to know about the indicative profit rates.
