FOR IMMEDIATE RELEASE

Michael Gorriz, Group Chief Information Officer of Standard Chartered Bank, visits Bangladesh

7 February, 2018 – Michael Gorriz, Group Chief Information Officer, Standard Chartered Bank, recently arrived in Dhaka for his first official visit to the country.

During his day-long trip to Dhaka, he met senior government officials and leaders of the bank. Central to the discussions was how technology is transforming the business landscape, and how Standard Chartered can harness this to continue to aid Bangladesh's economic growth and the development of its financial sector.

Naser Ezaz Bijoy, Chief Executive Officer, Standard Chartered Bangladesh, said, "Michael's visit reiterates the Group's sustained commitment to Bangladesh." He added, "As the oldest financial institution in the country, with a heritage of over 112 years, we are committed to supporting Bangladesh's growth. We will continue to strive to be a technological pioneer in this market, investing in technology and capabilities that will drive commerce and prosperity in our nation."

Michael joined the Bank as Group Chief Information Officer in July 2015 and is responsible for the banking operations, systems development and technology infrastructure which underpin the Bank's client services, and defines and implements the Bank's digital and innovation agenda. Prior to joining Standard Chartered, Michael was Vice President and CIO at Daimler AG where he was globally responsible for strategy, planning and development of the Group's IT systems, as well as the operation of its technical infrastructure. During his 29 years at Daimler, Michael progressed through specialist research and design roles in aerospace to general management roles.
