Part A - Our banking relationship

1 The terms of our relationship
1.1 We have a range of products designed to suit your personal banking needs, some of which may be accessed through our electronic banking services. The specific features of our products are available on request. Some products may not be available to you depending on your location. Depending on your location, some products may not be accessible through our electronic banking services. Your electronic access to such products may be withdrawn, amended, terminated or suspended at any time without notice.

1.2 If you want to access or use a product in any manner including electronically, you need to complete an application to ask us to approve your use of it. Different eligibility criteria may apply to different products. These may include minimum or maximum age or deposit amounts. We may refuse an application for any reason. Unless required by law, we do not need to give you a reason. You may contact your branch should you require further details about our products or our electronic banking services.

1.3 Our electronic banking services are available to you only after we have approved it for your use.

1.4 If we agree to provide a product to you and allow you to access or use a product through our electronic banking services, the terms on which you may use the product are called our “banking agreement”. This is made up of the following documents for the product:

- the application;
- any letter of offer;
- these Client Terms;
- the product terms;
- our approval;
- the Schedule of Charges;
- any guidelines we issue in connection with use of the product (including guidelines for use of electronic banking services);
- any other terms and conditions that form part of our banking agreement as varied or replaced.

A separate banking agreement is entered into each time you and we agree that you may use a product. For example, if you accept a letter of offer for more than one product, a separate “banking agreement” is established at that time for each product on the terms set out, or referred to, in the letter of offer.

The terms of our banking agreement apply to each access or use of the product, including any access or use of the product through our electronic banking services, by you or any authorised person. If you or an authorised person does not agree with the terms of our banking agreement, you or they should not carry out the transaction or access any account. You are responsible for ensuring that each authorised person complies with our banking agreement and for anything an authorised person does in connection with our banking agreement. You must ensure that each authorised person is given a copy of the terms that apply to any product they use and this Client Terms.

1.5 If you are not a resident of Bangladesh, additional terms and conditions may apply as notified by us at any time.

1.6 Transactions with any of our offices or group of companies outside Bangladesh are not protected by Bangladesh laws.

1.7 A reference to “terms and conditions” in forms, statements, brochures and other documents we provide is a reference to the relevant terms contained in our banking agreement. These Client Terms replaces all earlier general terms and conditions relating to banking services except where we advise you otherwise.

1.8 If there is any inconsistency between:
- the application and any other terms of our banking agreement, the other terms prevail; and
- these Client Terms and any specific terms (such as the product terms or any letter of offer), the specific terms prevail; and
- the English version of our banking agreement and any translation, the English version prevails.

2 Pre-conditions to use of any product
We need not provide any funds to you or otherwise allow you to access or use a product or our electronic banking services if:

- we consider there may be a default;
- you have not satisfied any pre-condition to use set out in our approval, our letter of offer, the applicable product terms, elsewhere in our banking agreement or as we notify you at any time;
- if we advise you that funds can only be provided or the product can only be used during a specified period (called the availability period), and that period has expired;
- your request for funds exceeds the applicable limit;
- it is illegal in your country to use encryption devices or software to secure communications over the internet;
- you have not provided us with all other documents and information we reasonably request;
- you give us any incorrect, incomplete or misleading information or make an incorrect or misleading representation or warranty.

In addition, for some products we need not provide funds to you or otherwise allow you to use the product in any manner, including through our electronic banking services, if we decide not to do so (see the applicable product terms).
3 Review
We may review the terms of our banking agreement (including the product terms and your conduct under our banking agreement) annually or at any time. Even if there is no default, we may (subject to applicable law), at any time:

• terminate or cancel our banking agreement;
• vary any limit or profit rate applying to the product or vary the term of the product;
• otherwise vary the terms of our banking agreement.

If we vary these Client Terms, we will post the amended terms to your last notified address with us and at our website www.sc.com.bd. You should check the foregoing website frequently. Unless you notify us such varied Clients Terms shall be effective after 30 days of posting after which we will treat your subsequent use of our services and products as your acceptance of the variation.

Part B -
(i) Operating accounts

4 Authority

Account operating authority

4.1 When you apply for a product, you must give us account operating authority details:

• for all authorised persons; and
• for joint accounts, the method of operation (either, any one accountholder to give instructions or all accountholders to give instructions jointly). If no method of operation is specified, any one accountholder may operate the account.

If on a joint account you require more than one accountholder to sign, then you may view (but not give instructions on) the account using an electronic banking service if each relevant accountholder approves the relevant access.

4.2 We act on the account operating authority until you vary (by removing or adding authorised persons) or cancel it. If you want to vary the account operating authority by changing either the authorised persons or the method of operation, or cancel the account operating authority, you must give us instructions in writing. On receipt of the instructions, we vary or cancel the account operating authority. The variation or cancellation becomes effective within seven banking days after we accept your instructions. We may continue to act on the existing account operating authority until the variation or cancellation becomes effective.

4.3 We may honour payment for all cheques and other instruments signed in accordance with the previous authority if they are dated before, but presented after, we have processed the instructions upon prior intimation from you.

4.4 We rely on any instructions given by an authorised person in accordance with the account operating authority;

4.5 An authorised person must use the same signature for all products as used on the account operating authority.

Scope of account operating authority

4.6 Except to the extent you may limit the authority of an authorised person, each authorised person may act on the account. Depending on the product, an authorised person may:

• draw cheques;
• overdraw to any extent permitted by us;
• withdraw money in any manner subject to prevailing laws and regulations;
• give and cancel authorities in our usual form for periodical payments;
• stop a payment of a cheque drawn on the account;
• access and operate the account using an electronic banking service in accordance with our banking agreement;
• obtain statements of account and any information required concerning the accounts generally;
• obtain cheque books and endorse cheques or other instruments payable to your order or if it is a joint account, payable to any one or more of you; and
• elect on your behalf to receive eStatements and notices electronically (instead of by mail), and cancel that election.

Conducting an account in joint names

4.7 Unless otherwise agreed with us when a joint account is opened:

• operations on the account are governed by the account operating authority;
• we need not enquire into the circumstances of any instructions any of you may give in connection with the conduct of the account;
• we are authorised to accept for credit of the joint account, any cheque or other instrument payable to one or more of you;
• each of you is liable to us jointly and separately for the balance owing (including if we permit an overdrawing);
• if the account operating authority is “single signing authority” and any one accountholder instructs us to stop accepting instructions from any other accountholder, or different accountholders give us conflicting instructions, we may suspend the operations on the account until we receive confirmation from all accountholders;
• if the account operating authority is “both/all to sign” and we are notified that an accountholder becomes insolvent or incapacitated, we may suspend operation of the account until we are satisfied that all other accountholders are aware of the circumstances and the legal representatives of the affected accountholder has provided us with the information we require to resume operations on the account;
• if the account operating authority is “both/all to sign” and we are notified that an accountholder becomes insolvent or incapacitated, we accept instructions only from the affected accountholder’s legal representative and all other accountholders; and
• if one of you dies, the surviving accountholder may give instructions and obtains title to the account.

4.8 If one joint accountholder dies, the obligations of the surviving accountholder and our rights (including set off) under our banking agreement are not affected.

5 Instructions

Authorisation

5.1 You authorise us to act on instructions from you or any authorised person (including any instructions we believe to have been given by you or an authorised person). You acknowledge that for electronic banking services, we may require use of a security code and use of a security code is evidence that the instruction is authorised by you or an authorised person. However, also see clause 18 (Liability for transactions).

5.2 You agree that the use of security codes is adequate identification of you. We are entitled to act on instructions (provided using the security codes) without obtaining any further written or other confirmation from you. You agree that we will not be liable for taking such action unless you had notified us before such unauthorised instructions were given to us that your security codes are or might be known to someone else.

Form of instructions

5.3 Instructions must be given in writing. However, we may accept instructions by telephone, fax or through any electronic banking service if you produce any documents we require.

You are responsible for ensuring the timeliness, accuracy, adequacy and completeness of all instructions given by you. We will not be liable for any loss or damage as a result of:

• your instructions to pay or transfer funds being late, inaccurate, inadequate or incomplete; or
• any third party refusing or delaying to pay or transfer the funds to the account of the intended payee.

5.4 You acknowledge that email is not a completely reliable or secure method of communication. You must not use it to send us:

• notices in connection with any of our banking agreements; or
• sensitive communications, such as payment instructions. Payment instructions should be sent through the electronic banking service connected to your account.

5.5 You acknowledge that all instructions given (and our records of those instructions) in electronic form are original documents in writing. You agree not to challenge their validity, admissibility or enforceability on the basis they are in electronic form.

5.6 You must ensure your account has sufficient funds for the purposes of giving instructions to us.

5.7 All instructions cannot be reversed and are binding on you.
5.8 When we receive a transaction instruction from you, we will debit any payment plus any charges payable for the transaction from your account.

5.9 Contact us if you need to confirm that an instruction has reached us and that it will be carried out by a particular time.

5.10 We will be deemed to have received or executed your instruction only when you have received our confirmation that we have received or executed such instructions.

How we may act

5.11 We may:
• act on incomplete or unclear instructions if we reasonably believe we can correct the information without referring to you or an authorised person. Otherwise, we may refuse to act on incomplete or unclear instructions;
• act on instructions which conflict with each other and determine the order of acting if multiple instructions are received;
• specify conditions on which we accept any instructions;
• verify any instruction we receive by contacting you;
• require written confirmation from you of a particular instruction;
• we may reverse any action taken on the basis of an instruction if our internal checks indicate that the instruction was not from you. We will not be responsible for any loss to you that results from such reversal;
• act in accordance with our usual business practice and procedure and we need only accept instructions if we consider it reasonable and practicable to do so. For example, we may refuse to act if an instruction may involve a breach of our policy, any security procedure or any law or requirement of any authority (including any economic and trade sanctions imposed by any regulator in any jurisdiction where we operate in or by any supranational organisation, official body including, but not limited to, Her Majesty’s Treasury, the United Nations, the European Union or any country), result in an account being overdrawn, appears to conflict with another instruction from a joint account holder, or if we genuinely believe or suspect the instruction is unauthorised.

5.12 We will not execute your instructions, and will not be responsible for any loss resulting from such non-execution, if on the stipulated date of execution:
• there are insufficient funds in your account to execute your instructions; or
• your account does not contain sufficient funds to pay any charges, fees, profit or other sums that may be payable by you to us;
• you did not correctly use the electronic banking services;
• circumstances beyond our control prevent your instructions from being carried out despite reasonable precautions taken by us;
• the funds you instruct us to transfer or pay exceeds your personalised daily transfer limit or the category limit imposed on your account, whichever is lower;
• your account or any funds in your account have been put on hold;
• an order of court or any applicable law prohibits us from carrying out your instructions;
• our policy, security procedure or requirement of any authority (including any economic and trade sanctions imposed by any regulator in any jurisdiction where we operate in or by any supranational organisation, official body including, but not limited to, Her Majesty’s Treasury, the United Nations, the European Union or any country) prohibits us from carrying out your instructions; or
• your account is closed, frozen or inaccessible for any reason.

5.13 We may impose a service charge on unsuccessful applications to transfer funds or pay bills in the event this is due to the circumstances set out in the first 2 sub-points of clause 5.11 above. You will also be responsible for any charges imposed, or any other action taken, by a receiving bank or payee or an intended receiving bank or payee if any of the circumstances in clause 5.11 apply.

Payment instructions

5.14 You authorise us to act as the instructing financial institution to send your payment instructions (for example a cheque or other similar instrument). You also authorise us or any third party who receives the payment instructions to act on them as if you had sent the payment instructions directly to them.

5.15 If we cannot process your instructions, we will, where possible, attempt to notify you of this.

Timing

5.16 If we receive an instruction on a non-banking day or after our “cut-off time” for a product, we may treat it as having been received on the next banking day.

Stopping or reversing a transaction

5.17 If we are instructed in writing to stop or reverse a transaction, we will attempt to do so. However, we are not liable for any loss you incur if we cannot do so. You will pay us for any costs we may incur in trying to stop or reverse a transaction.

Risks

5.18 You acknowledge and accept the risks of giving instructions by telephone, fax or through any electronic banking service (including the risk of technical malfunction in your or our electronic equipment, the risk of any instructions being unauthorised or given by an unauthorised person, the risk that we may process instructions twice if you send the same instructions to us in different forms and the risk that any information sent by electronic banking services cannot be guaranteed to be secure or free from virus, delay or any other third party attacks). In particular, we will not be responsible for wrongful instructions caused by malware in your computer or device; or man-in-the-middle attacks.

Instructions from us

5.19 You and each authorised person must follow our instructions in connection with accessing or using a product and comply with all applicable laws.

6 Account overdrawning

6.1 If you or an authorised person makes any withdrawal, payment or other transaction on an account (including by cheque or use of a card or electronic banking service) or
• a debit (or negative) balance in the account; or
any agreed cash line limit applying to the account. This is known as overdrawning the account.

6.2 We need not:
• accept any instruction or allow any withdrawal or transaction or honour any cheque or other instrument drawn on an account, which would cause an account to be overdrawn; or
• transfer funds from any other account to the overdrawn account in order to effect the withdrawal or transaction.

6.3 We may (but need not) allow an account to be overdrawn (even if no request has been made for an cash line) if we believe that an cash line is necessary for us to carry out instructions from you or an authorised person.

6.4 If we allow an account to be overdrawn:
• this only applies for that particular instruction and this does not mean that we will allow a similar cash line in the future;
• the amount by which the account is overdrawn is treated as an advance by us to you and you owe us a debt equal to that amount;
• when we ask, you must pay that advance and any fee as mention in the Schedule of Charges.

7.1 You must give us in writing your address, telephone, fax number, email address and mobile phone number for receipt of notices and other communications in connection with our banking agreement. - to renew the term deposit; or
- us to pay you the principal and profit on the maturity date. If you do not instruct us, we may renew the term deposit for a similar term with profit at the prevailing profit rate for that term. However, we have no obligation to do so.

10.6 Profit ceases to be payable after the maturity date unless the term deposit is renewed

11 Operation of Accounts In relation to savings accounts and term deposits:

11.1 You may, at any time in accordance with these Terms and Conditions, place funds (the “Mudaraba Funds”) to the credit of a Mudaraba Account, which shall be managed and invested in a Mudaraba basis by us in Islamic shariah compliant assets (the “Mudaraba Assets”).

11.2 Such accounts will be divided in various categories depending on the criteria determined by the Bank which is applicable to a certain category, such as maturity/tenor, currency, credit balance thresholds and overall relationship with a customer. A group of Customers having accounts in a specific category would form a particular Category (the “Category”).

11.3 The profits from the Mudaraba Assets (the “Mudaraba Profit”) shall be allocated between us and you at the end of the period for which Mudaraba Profits are being calculated (the “Profit Allocation Period”), as follows:
- in consideration of the services provided by us hereunder, we shall be entitled to a pre-determined proportion of the Mudaraba Profits which have accrued during the relevant Profit Allocation Period as its management compensation (the “Manager's Profit Share”);
- the remaining Mudaraba Profit, after deduction of the Manager’s Profit Share (the “Profit Amount”), shall be allocated amongst the accountholders at the end of each Profit Allocation Period by reference to the weightages (the “Profit Weightages”) determined by us in respect of each Category at the commencement of each Profit Allocation Period and the average balance maintained by the accountholder in its Mudaraba Account during the Profit Allocation Period calculated on a daily product basis. The accountholder’s share of the profit will be determined in accordance with the per annum rate (the “Profit Rate”) applicable to the relevant Category to which the accountholder belongs provided that the calculation of the Profit Rate shall be rounded up to the third decimal place only.
• the Manager’s Profit Share and the Profit Weightages applicable to each Category shall be determined by us at the commencement of every Profit Allocation Period.

• the updated and prevailing Manager’s Profit Share and Profit Weightages applicable to each Category will be available on our website, displayed in our branches, may be obtained from us from time to time and/or shall be communicated to you in any other mode, whether electronic or otherwise, in accordance with our prevailing practices. We reserve the right to vary the Manager’s Profit Share and/or the Profit Weightage from time to time in accordance with the prevailing regulations and/or directives applicable to us, such variation shall be deemed to be effective upon the commencement of the Profit Allocation Period immediately succeeding such variation. You shall be deemed to have accepted such variation if we do not receive any notice to the contrary within 7 days from the issuance of such notice.

• The Profit Amount payable by us to you shall be paid to you in accordance with the terms agreed in the application or as otherwise advised by us from time to time.

11.4 In relation to a savings account, you may at any time choose to close your saving account held with us. At the time of closure you will be paid return (if applicable) based on the last announced applicable rate and that will be considered the full and final settlement between you and us in relation to the Mudaraba Assets.

In relation to a term deposit, you may withdraw the Mudaraba Funds from the account prior to expiry of the applicable Mudaraba Term Period, subject to the following conditions:

• you shall give seven days notice in writing of such withdrawal to us;

• only the whole (and not part of) the Mudaraba Funds may be withdrawn;

• if the date on which the withdrawal is effected the “Withdrawal Date”) occurs within 3 months from the date the Mudaraba Funds were deposited in the Mudaraba Term Account (the “Deposit Date”), you shall not be entitled to any profit for the relevant Profit Allocation Period; and

• in all other cases, you shall be entitled to profit calculated by reference to the relevant Profit Rate applicable to the last completed Mudaraba Term Period preceding the Withdrawal Date (“Revised Profit Rate”). Such Revised Profit Rate shall be applied to each completed month elapsed after the Deposit Date up to the Withdrawal Date.

11.6 You acknowledge that nothing in these Terms and Conditions shall be construed as being a warranty or a representation by us of any guaranteed profits, or any guaranteed payment of any part or the entire portion, in respect of the Mudaraba Funds. You are aware that all deposits in the Mudaraba Account (including the original Mudaraba Funds) are exposed to potential losses arising out of a loss incurred in respect of a Mudaraba Asset and that such losses may even affect the principal amount of the funds deposited by you in the Mudaraba Account.

11.7 Any losses incurred on the Mudaraba Funds during a Profit Allocation Period shall be borne solely by you. If, however, we have also invested a certain sum in the Mudaraba Assets and that such losses may even affect the principal amount of the funds deposited by you in the Mudaraba Account.

11.8 In the event that we intend to make a variation (including any addition or deletion) to the composition of Islamic shariah compliant assets, we shall do so at our own discretion. Any variation, if made by us, will not adversely affect you.

12 Current/cheque accounts
Current/cheque accounts are accounts with a cheque facility. Funds deposited by you with us under the current/cheque account will be on the basis of ‘qard’ and therefore shall be payable to us upon demand. We may at our discretion utilize such funds as we deem fit.

Minimum age
12.1 You must be above the majority age to apply for a current/cheque account.

Profit
12.2 Profit is not payable on a current/cheque account.

Cheque books
12.3 When you open a current/cheque account we issue you with a cheque book. You must keep cheque books secure (including keeping them in a safe place - please refer to the security processes set out in Part E Security procedures and liability) of these Terms and Conditions.

12.4 If you need a new cheque book it can be ordered by either filling out the application form in the cheque book or by any other process we offer. We may refuse to issue a new cheque book. We need not give you a reason for doing so.

12.5 When you receive your cheque book you should check that the account number and name are correct.

Writing cheques
12.6 You or an authorised person must be careful when writing cheques to ensure the cheque cannot be altered without authorisation and to prevent fraud by forgery. For example, when writing cheques, you or an authorised person must:

• only use cheques in the form we have issued;

• write in non-erasable ink or ballpoint pen;

• write the words and figure of the amount as close as possible to each other and to the left-hand margin in order to prevent space for insertions;

• add the word ‘only’ after the amount stated in words;

• never pre-sign a cheque in blank;

• if sending cheques by post, delete the words ‘or bearer’ (to make the cheque an ‘order’ cheque) and cross the cheque with two parallel lines;

• not alter the cheque (including deleting the words ‘or bearer’) unless confirmed by their full signature;

• not use correction fluid. We may dishonour and return any cheque that is not completed in accordance with these procedures, post-dated or out of date or otherwise not in a form acceptable to us. If the words ‘or bearer’ are not deleted the cheque is a ‘bearer cheque’ and may be deposited by anyone holding the cheque. You can protect yourself by crossing a cheque with two parallel lines as the cheque must then be paid into the payee’s account rather than ‘on demand’.

Fees & charges
12.7 Fees and charges apply to cheques including stop fees, dishonour fees and fees if a cheque is returned to us for any reason (see the Service & Price Guide).

We may report you
12.8 If you issue 4 or more cheques in a 12 month period when your account has insufficient funds we may terminate our banking agreement and give details about your account to the Bangladesh Bank and other authorities.

Deposits of foreign currency are generally made into a form of savings account or term deposit. However, foreign currency current/cheque accounts may also be available.

Minimum age
13.1 You must be above the majority age to apply for a foreign currency account.

Terms of deposit
13.2 We accept foreign currency deposits in currencies acceptable to us and on the conditions (including term, profit rates and minimum deposit amounts) available at our branches.

Deposit methods
13.3 We may accept and deposit, as agent for collection foreign currency drafts, cheques or travellers cheques for good value after clearance. We deduct from the proceeds our fees and charges as set out in the Schedule of Charges and any fees and charges that may be imposed by third parties. However, we may:

• refuse to accept for collection drafts, cheques or travellers’ cheques drawn in favour of third parties or if the payee’s name is not identical to your name in our records;

• need to see the purchase agreement of any travellers’ cheques presented for deposit. We return dishonoured cheques, drafts or travellers’ cheques to your last notified address at your risk and cost.
13.4 If you have an existing foreign currency term deposit and we receive additional foreign currency funds with no specific instructions, we may place them in any type of account we determine for a minimum of one month. However, if the additional funds are below our minimum deposit amounts, we may place them in an existing account in the same currency and with the profit rate and the earliest maturity date we determine.

Withdrawal methods
13.5 Except as provided for in clause 11.5, foreign currency deposit accounts which are term deposits may not be withdrawn before the maturity date.

13.6 Proceeds of withdrawal may be available in foreign currency notes at the fee we specify. The details for foreign currency withdrawals and fees are available by contacting us at one of our branches or by using phone banking.

Profit on foreign currency deposits

Entering into foreign exchange transactions

20.1 If you are interested in entering into a foreign exchange transaction, you should contact us to discuss your requirements.

Warning

- Foreign exchange transactions involve various risks including movements in currency rates. You can make losses and that is a risk you take. If you do not understand the risks or are not willing to accept the risks or make losses, you should not enter into foreign exchange transactions with us.
- You must decide for yourself whether you should participate in foreign exchange transactions at all and, if you do, about each individual foreign exchange transaction.
- Our role is not to give advice, recommendations or warnings to you. We do not monitor your foreign exchange transactions or movements in currency rates for you - this is your responsibility.
- Anything we, including any of our officers, employees or agents, say to you is opinion only. You may not rely on it or hold us liable for it, even if it is wrong. Similarly, you may not hold us liable if we fail to give you advice, recommendations or warnings.
- We will not be liable for your losses in any circumstances unless it is due to our gross negligence.

20.2 Our banking agreement for foreign exchange transactions and the terms of all foreign exchange transactions constitute a single agreement between you and us.

20.3 If we enter into a foreign exchange transaction with you orally, the foreign exchange transaction is made from the time you and we make the oral deal.

20.4 On each date on which we enter into a foreign exchange transaction with you, you will be taken to represent that:
- You have made your own independent decisions to enter into that foreign exchange transaction and whether that foreign exchange transaction is appropriate or proper for you based on your own judgement and on advice from advisers that you have considered necessary; and
- You are not relying on any communication from us as advice or a recommendation or a guarantee of result in connection with any foreign exchange transaction and we are not a fiduciary or advisor to you in connection with our banking agreement or any foreign exchange transaction.

20.8 We may at our discretion withhold payment of monies due to you under any foreign exchange transaction until such time as we are satisfied that we have received or will receive the amount due from you.

20.9 You will honour foreign exchange transactions even in case your instruction is cancelled by us due to any signature mismatch, call back failure, discrepancy in instruction, insufficient funds, sanctions etc. You can give a fresh instruction to us within three working days of booking the deal.

20.10 For foreign exchange transactions that require currency conversion, we will convert the currency of the payment at the rate of exchange prevailing for purchasing and selling the relevant currency at the time of processing of the transaction.

20.11 For booked foreign exchange transactions, we will convert the currency of the payment at the rate of exchange prevailing for purchasing & selling the relevant currency at the time of booking the foreign exchange transaction.

20.12 You acknowledge that any foreign exchange transactions for the same day value are subject to the time when the instruction of booking such transaction is received as we have cut-off times relating to the geographical location of the payment destination.

Payment netting

20.13 If you and we owe each other amounts under our banking agreement for foreign exchange transactions in the same currency on the same day, then, unless otherwise agreed, the party owing the higher amount must pay the difference between those amounts. In those circumstances the other party does not make a payment.

- a default occurs; or
- You do not send the original/physical instruction to us within two working days from the date of booking the foreign exchange transaction.

21 What is electronic banking?

Overview

21.1 Electronic banking services are a range of banking and other services or facilities that use electronic equipment and include:
- online banking
- ATM and debit card services
- Banking services provided via cash deposit machines
- SMS banking
- electronic alert
- mobile banking
- phone banking
- fund transfer services
- point of sale banking
- eStatements
- other e-commerce or value added services.

Please contact us for details of the electronic banking services available to you.

Using electronic equipment
21.2 When a transaction is made with electronic equipment using a security code, you authorise us to act on the instructions entered into that electronic equipment. We treat use of a security code as evidence that you or an authorised person issued the instructions.

Problems with instructions
21.3 If it is not possible to direct an electronic banking service to a specified account in accordance with the instructions you or an authorised person gives through the electronic equipment, we may direct it to any account that is linked to a security code.

22 Using electronic banking services

Availability
22.1 Electronic banking services, and certain facilities under the electronic banking services, may be available only for certain types of accounts or products and not others. You accept that there are certain facilities and services that cannot be accessed through our electronic banking services.

Eligibility
22.2 You and each authorised person must be at least 18 years of age to use electronic banking services. However, if we permit you or an authorised person to use electronic banking services even though you or they are below 18 years of age, this does not affect our rights under our banking agreement.

Preconditions to use
22.3 We only make an electronic banking service available if:
• you are recorded as the legal and beneficial owner of an account and use of the electronic banking service for such account is acceptable to us;
• you have registered our electronic banking service. Contact us to arrange this; and
• you and each authorised person has complied with the activation procedures we specify.

Guidelines
22.4 If we issue any guidelines in connection with the use of any electronic banking services, the guidelines must be followed whenever anyone accesses or uses the electronic banking service. We are not liable for any loss you incur as a result of any failure to do so.

Limits
22.5 Electronic banking services may be limited to specific amounts set by law or by us or by the owner or operator of the electronic equipment. For example, there are maximum and minimum daily withdrawal amounts that may vary.

Application of terms
22.6 These terms apply to your use of an electronic banking service whenever you subscribe for the electronic banking service even if you subscribe after you begin to use a product.

Joint accounts
22.7 If the operating authority for a joint account is “single signing authority”, you agree that:
• all joint account holders may operate the account using the electronic banking services in accordance with these Client Terms (even if you are not registered to use the electronic banking services); and
• any single joint account holder may validly give instructions by the electronic banking services in connection with the joint account.

Operating times and availability
22.8 The electronic banking services are usually available for use during normal operating hours or at the times set out in any applicable guidelines or otherwise notified to you. However, routine maintenance requirements, excess demand on the systems and circumstances beyond our control may mean it is not always possible for the electronic banking services to be available during all normal operating hours, which you accept.

22.9 The availability and proper functioning of electronic banking services depends on many variable circumstances, including location, mobile network and internet availability, signal strength, and proper functioning of hardware, software, your mobile network operator, mobile phone and computer.

Software compatibility
22.10 When you use our electronic banking services we may provide your system with electronic banking software which may be needed for you to operate such electronic banking services. Alternatively, the electronic banking software may be supplied to you in some other way. It is your responsibility to ensure that the electronic banking software, if supplied to you, is compatible with your system. We shall not be responsible for any loss or damage you suffer as a result of any incompatibility between the electronic banking software and your system.

Ownership rights in connection with the electronic banking software and other information
22.11 If supplied, you will have a non-exclusive, non-transferable, temporary licence to use the electronic banking software only for the purpose of accessing the electronic banking services. 22.12 You are responsible for complying with the local laws of the country from which you use the electronic banking software.

Access
22.13 When you use electronic banking services you must:
• not access the electronic banking services using any electronic equipment not owned by you or which you are not licensed or authorised to use; and
• take all reasonably practical measures to ensure that any electronic equipment from which you access the electronic banking services is free of and adequately protected against any computer virus or other malicious software.

As the electronic banking services can be accessed through the internet, other communication channels or, as the case may be, public systems over which we have no control, we will not be responsible for any loss or damage suffered by you or them as a result of any computer viruses, Trojan horses, worms, software bombs, malware or similar processes arising from your use of the electronic banking services through the internet or those other communication channels or public systems.

Unauthorised Cash Line
22.14 You cannot rely on the operation of the electronic banking services to prevent an unauthorised cash line being created. For example, you must remember that cheques and any payment instructions you or an authorised person has given using the electronic banking services may not be given immediate value or immediate effect and might not always be immediately reflected in the balance owing.

Information provided at ATMs not conclusive
22.15 Information provided at ATMs in connection with your account (such as your credit or debit balance) may not reflect the balance owing at that time.

Electronic alerts
22.16 The electronic alerts available are:

</tr>
</thead>
<tbody>

Availabilty
22.20 The availability and proper functioning of electronic banking services depends on many variable circumstances, including location, mobile network and internet availability and signal strength, and proper functioning of hardware, software, your mobile network operator, mobile phone and computer.

Suspension
22.21 We may suspend any electronic banking service temporarily at any time for maintenance and upgrading of services.

Fees and charges
22.22 We may charge you fees and charges for the electronic banking services. We can change these fees and charges by giving you at least 30 days’ notice. If we give you such a notice, you will not have to pay any proposed increase as long as you cancel your use of the electronic banking service during the 30-day notice period. However, your continued use of the electronic banking service after the 30-day notice period shall be conclusively deemed to be your acceptance of such changed fees and charges.

22.23 In addition to any fees and costs you must pay us, you must pay any fees or charges imposed by the provider of the electronic equipment and your telecommunications provider for using the electronic banking services.

Variations
22.24 We may at any time:
• vary the way any electronic banking service operates; or
• add to, remove or otherwise vary, end or suspend any of the facilities available under any electronic banking service.

22.25 You and each authorised person are taken to be bound by any variation to the operation of an electronic banking service if you or they continue to access the electronic banking service after we notify you of the variation.

Ownership of software
22.26 If we allow you to use any electronic banking service software, we grant you a non-exclusive licence to use the electronic banking service software only for the purpose of accessing electronic banking services. 23 Mobile and SMS banking
23.1 We may restrict access to mobile banking and SMS banking. For example, for some products we may not offer it to accountholders or cardholders who are minors or joint accountholders.

23.2 Mobile banking and SMS banking are only available for mobile phones and similar devices with data connections which meet the specifications and configurations we specify. You must obtain and maintain a mobile phone and data connection which meet these requirements at your own expense.

23.3 You may have to apply to us for use of mobile banking or SMS banking by online banking or by any other method as stipulated by us.

23.4 We may take up a maximum of 7 banking days from the date of receipt of your application to activate mobile banking and SMS banking.

23.5 Any transaction made through your mobile banking user ID shall be deemed to have originated from you if the correct login password was submitted.

23.7 Mobile banking and SMS banking are available to you only if you are within the cellular or mobile network service range of the particular cellular or network service provider providing services to you. We are not responsible for your inability to use mobile banking and/or SMS banking if you are not within such network service range.

23.8 You agree to pay us and any third party telecommunication providers all applicable rates and charges related to your use of mobile banking or SMS banking, and we shall debit from your account any unpaid rates and charges.

23.9 We may change the layout, form and wording of any of our mobile apps or screens and in particular, those on which our mobile banking is provided.

Setting preferences and receiving alerts
23.10 We may not give effect to any preferences if we have reason to suspect that the preferences are not genuine, are improper or unclear.

23.11 Your mobile phone number and email account must be active and accessible to receive electronic alerts. You acknowledge that if your mobile phone number or email account remains inaccessible for a continuous period, you may not receive electronic alerts sent during such period.

Mobile and SMS banking are dependent on the infrastructure, connectivity and services provided by service providers engaged by us or you. You therefore, accept that timeliness, accuracy, and/or readability of electronic alerts will depend in part on these third party service providers. We are not responsible for non-delivery or delayed delivery, error, loss or distortion in transmission of electronic alerts if this is due to the fault of such service providers.

27.7 Cards may be used to pay for goods and services to access cash or perform other transactions we notify. However, where a particular function is permitted, this is limited to particular channels as advised. For example, paying for goods and services and accessing cash may be limited to merchant terminals or ATMs which display the relevant card logo.

27.8 A cardholder may use a card to authorise transactions in any manner we permit. This may include use of the card number without the physical card.

Transaction limits

27.9 We or other financial institutions may impose transaction limits on different types of transactions which may be made using a card. For details of the limits we impose, please contact us.

Your liability

27.10 Except as otherwise set out in our banking agreement, you are liable for all transactions made using a card or the card number.

Expiry date

27.11 You must not use a card after:

• its expiry date; or
• the date we notify you of its cancellation or replacement.

Restrictions on use of a card

27.12 Neither you nor any authorised person may use a card:

• for any unlawful activity (including a purchase of goods or services that is illegal or prohibited by the laws of Bangladesh or by the laws of the country where the purchase is made); or
• to pay debts incurred in connection with on-line gambling, wagering or betting activities conducted via internet.

27.13 We may refuse to approve transactions made using a card if we believe or suspect the transactions are illegal, fraudulent, dishonest or unauthorised. However, we need not determine or enquire into the purpose or legality of the transaction.

Cash Line on linked account

27.14 Neither you nor any authorised person may use a card for a transaction if it would cause a linked account to be overdrawn. If the linked account is overdrawn, we may refuse to approve the transaction.

Replacement and renewed cards

27.15 If, for example, a card is damaged, and you or an authorised person asks, we may issue a replacement card. You must pay the applicable fees (see the Schedule of Charges or contact us).

27.16 We treat any use of a replacement or renewed card as a valid activation of the card.

Features on a card

27.17 We may enter into arrangements with third parties (including service providers and merchants) to offer additional services or features on your cards. If offered, these are provided on a best efforts basis only. We are not liable for any loss you suffer in connection with these services or features.

27.18 We are not liable for the loss or inaccuracy of any information stored on a card.

Cancellation or expiry

27.19 You may cancel a card by giving us notice in writing. You must immediately destroy any cancelled or expired card.

Refunds

27.20 A merchant must issue a valid credit voucher to make a refund for goods or services purchased by using a credit card. We can only credit the linked account with the refund when we receive the voucher or other notification from the merchant’s bank.

Disputes with merchants

27.21 We are not liable for:

• the refusal of any electronic equipment or merchant to accept the card; or
• any defect or deficiency in goods or services supplied to you by any merchant.

You must resolve any complaint directly with the merchant and no claim against the merchant may be set off or claimed against us.

Withholding payment

27.22 If you report unauthorised transactions on your credit card, you may withhold paying the disputed amount until we complete our investigation. You must pay the disputed amount if your report is proved to be unfounded. We may impose late fees on the disputed amount.

Exchange rate

27.23 Non-local transactions are converted to local currency at a rate we reasonably consider appropriate, which may be a rate set or resulting from procedures adopted by a third party. For example, if the card is a Visa or MasterCard card, conversion is done using US dollar as the base currency on the date the transaction is received by us or processed, at the exchange rate and at the time determined by Visa International or MasterCard International at its absolute discretion. In any case, the exchange rate may differ from the rate in effect on the date of the transaction due to market fluctuations. Any rate imposed is final and conclusive and you bear all exchange risks, loss, commission and other costs which may be incurred as a result.

Using an ATM card

27.24 You or an authorised person may use an ATM card overseas if you or they comply with exchange controls and other applicable laws in the country where you or they are located. If an authority requires us to do so, or if we are otherwise required by law or pursuant to agreements with any regulator or any authority to do so, or if we need to comply with internal policies associated with any applicable order or sanction of an authority, you or an authorised person may be prevented from using an ATM card overseas.

27.25 If you or an authorised person uses an ATM card overseas and the ATM does not allow a choice of account for withdrawals, the order of accounts we debit is in accordance with our usual practice.

27.26 You authorise us to disclose information to parties involved in the provision of ATM services and you authorise them to disclose information to us about an account, your PIN/password and transactions.

Return of ATM cards

27.27 If your account is closed, you must ensure that all ATM cards issued in connection with the account are returned to us.

28 Debit cards

Where you may use a debit card

28.1 A debit card may be used in Bangladesh and international debit card in most countries overseas.
Pre-authorisation procedure

28.2 Some merchants are required to specifically authorise transactions using debit cards. If this is the case, the transaction is processed as follows:

- the merchant debits an amount determined by it (called a “blocked amount”) from a linked account on the transaction date or the billing date, whichever is the earlier, regardless of the actual final transacted amount;
- the difference between the blocked amount and the transacted amount is released and credited into a linked account after we process and pay the transacted amount; and
- if there is any difference between the transacted amount billed or there is any delayed billing by the merchant, we may make any necessary adjustment by debiting or crediting a linked account, to reflect the correct transacted amount.

Minimum balance of linked account

28.3 We may set a minimum balance to be maintained in the linked account for the use of the debit card and we may vary the minimum balance without notice to you.

29 Bonus points scheme

29.1 Some types of cards have a bonus points scheme. For details please refer to the product brochure or contact us.

29.2 Bonus points may be earned when a cardholder (including any person you authorise as a supplementary cardholder on your account) uses a card in the manner specified in the product brochure. However, bonus points accrue on your account only.

29.3 We may specify from time to time the amount of Bangladesh Taka which needs to be spent using your card to earn one bonus point. We may also from time to time specify other ways by which bonus points may be earned.

29.4 The product brochure sets out the method for calculating bonus points earned. Bonus points cannot be earned on bonus points purchases, cash advances, profit, fees or costs.

29.5 Bonus points accrue from when your account is opened and may be redeemed until the bonus points cancellation date. Except as set out in the product brochure, all bonus points earned before the bonus points cancellation date are automatically cancelled on the bonus points cancellation date. Cancelled bonus points are not reinstated in any circumstances (including if your account is reinstated).

29.6 Unless set out in the product brochure or we notify you that you are allowed a period of time after the bonus points cancellation date to use or redeem your accrued bonus points, all applications to use or redeem bonus points which we receive after the bonus points cancellation date and any attempted use or redemption of bonus points occurring after the bonus points cancellation date is not valid and has no effect.

29.7 You may not redeem bonus points for cash and may only use or redeem bonus points for the goods and services we specify. If you order any goods and services which require both bonus points to be used or redeemed and money to be paid, you authorise us to debit your account with the amount of the required monetary payment. We may reject other methods of payment.

29.8 You may not use or redeem any bonus points if the statuses of all your accounts are not normal or current or if a cardholder is in default or has otherwise not complied with the terms of our banking agreement.

29.9 Unless we agree otherwise, you may not transfer bonus points from one account to another. We may allow you to combine all the bonus points which you have earned in all your qualifying accounts for use or redemption in one or more transactions.

Part E - Security procedures and liability

30 Security procedures

Security procedures for banking services are very important. You must comply with (and ensure each authorised person complies with) all security procedures set out in our banking agreement.

Issue and cancellation of security codes

30.1 We may issue (or in some cases, allow you to select) security codes to enable you to communicate with us or to give us instructions by electronic equipment.

30.2 If you want any other person to be able to give us instructions by electronic equipment we can issue them with security codes, but you must ask us to do so in writing.

30.3 When you use certain products, we will issue you with security codes and may also require you to obtain from us and use a one time password for additional security authentication.

30.4 If you lose a security code, it stops working or it is disclosed to a person other than an authorised person, we may issue you with a new one if you ask us in writing. We may suspend your use of a product which requires a security code until the new security code is issued.

30.5 You are responsible for the security codes once we send them to you (or the authorised person) even if any other person receives or uses them.

30.6 You must instruct us in writing if you want to cancel a security code issued to you or an authorised person.

30.7 We may cancel a security code without notice.

- not record any security code (except where it is disguised in a way that others are not able to decipher it);
- when selecting a security code, not select an obvious word or number or one that can be easily guessed by someone else (such as a date of birth, middle name, family member’s name or telephone number);

**Right of set off**

If we (or any other member of the Standard Chartered Group) combine accounts, any credit funds held by you in your accounts will be applied to adjust the amount owing by you in relation to your other accounts. We (and each other member of the Standard Chartered Group) may do so at any time (even if there is no default).

**Debiting accounts**

- we may debit (without notice to you) any profit, fees, costs or any other transaction on an account (including by cheque or use of a credit or debit card) from any account for the product.
other amount you owe us in connection with a product to the account for the product.

Insufficient funds
34.10 If you have insufficient funds in any account in respect of which we are entitled to debit amounts you owe us, yet we still decide to debit the account, our action does not constitute a waiver or otherwise affect our rights under our banking agreement.

Automatic payment from account with another institution
34.11 If we require you to pay us an amount by automatic payment from an account with another bank or financial institution you must:

• organise a payment arrangement with the other bank or financial institution under which an amount equal to the amount, is debited from that account and deposited in your nominated account on each payment date and give us satisfactory evidence that this is in place; or

• provide us with any authority we require to enable us to debit the amount, to that account.

Authority to fill in cheques
34.12 If you provide us with any cheques, you irrevocably authorise and appoint us as your attorney to fill in the dates and amounts in the cheques for an amount not exceeding the limit for the product at that time and acknowledge that we may use these cheques to pay any amount you owe us in connection with the product.

Honouring payment instruments
34.13 You must ensure that any payment instrument or payment instruction is honoured. For example, you must:

• ensure that you have sufficient funds in the account to be debited (including any account with another bank or financial institution or the nominated account);

• not stop cheques;

• not cancel or vary any payment arrangement (unless we ask you to do so to reflect a change in the instalments) or close or change the account on which cheques are drawn.

Post-dated cheques
34.14 If we require you to pay an amount by post-dated cheques, you must:

• give us post-dated cheques in our favour for an amount equal to each payment amount; and

• replace the cheques if we ask.

How we apply payments
34.15 Payments are taken to be made when we credit them to the account. We do this as soon as practicable after receipt.
34.16 Unless set out in the product terms we may use amounts we receive under our banking agreement to pay amounts you owe us in any order we choose.

Payments into suspense account
34.17 We may place in a suspense account any payment we receive in connection with our banking agreement for as long as we consider appropriate subject to prevailing laws and regulations. This is to protect our rights against other amounts you or a security provider may owe us.

Insolvent payments
34.18 Under insolvency law, a person may demand the refund of a payment we have received under our banking agreement. To the extent we are obliged to do so or we agree to make a refund, we may treat the original payment as if it had not been made. We are then entitled to our rights as if the payment had never been made.

35 Currency conversion and indemnity

Currency of payment
35.1 We may make currency conversions in respect of any amount received by us from you or due to you from us at a rate we reasonably consider appropriate. You indemnify us for any shortfall arising from the conversion.

Payment in other currency
35.2 You waive any right you have in any jurisdiction to pay any amount other than in the currency in which it is due. If we receive an amount in a currency other than that in which it is due:

• we may convert the amount into the due currency on the date and at rates we reasonably consider appropriate. We may deduct our costs incurred in the conversion; and

• you satisfy your obligations to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

Conversion after default
35.3 Despite any other provision of our banking agreement, at any time after there is a default we may convert to the base currency at a rate determined by us any part of the balance owing for the product which is not due to us in the base currency (“foreign currency obligation”).
35.4 The applicable foreign currency obligation is then taken to be replaced with an obligation to pay us an amount of the base currency equal to the amount of the base currency needed for the conversion plus the costs of the conversion.

Currency restrictions
35.5 You must comply with all exchange control laws in connection with our banking agreement. If a country restricts the availability or transfer of its currency, we need not make any payment to your account in that currency. We may make the payment in any currency we consider appropriate.

Currency conversion on judgment debt, orders, directives issued under law or regulator
35.6 If a judgment, order, directives issued under law or by any regulator or pursuant to agreement with any regulator or any authority or proof of debt for or the recovery of an amount in connection with our banking agreement is expressed in a currency other than that in which the amount is due under our banking agreement, then you indemnify us against:

• any difference arising from converting the other currency if the rate of exchange we use under our banking agreement for converting currency when we receive a payment in the other currency is less favourable to us than the rate of exchange used for the purpose of the judgment, order, directives issued under law or by any regulator or pursuant to agreement with any regulator or any authority or acceptance of proof of debt; and

• the costs of conversion.

If we ask, you must sign and give us or any other person we specify any document we reasonably require for this purpose.

- a provision of our banking agreement illegal, void or unenforceable; or
- a provision of our banking agreement contravene a requirement of that law or impose an obligation or liability which is prohibited by that law, then the law overrides our banking agreement to the extent of the inconsistency, and our banking agreement is to be read as if that provision were varied to the extent necessary to comply with that law and avoid that effect (or, if necessary, omitted).

46.39 If any one or part of the terms of this Client Terms is legally unenforceable in any way, this will not affect the validity of the remaining terms.

46.40 We believe that the terms of this Client Terms are reasonable. If any one or part of them proves to be not legally valid because it is unreasonable or for any other reason, we are entitled to treat that term as changed in a way that makes it reasonable and valid.

All agreements, obligations given or undertaken by you remain valid and binding despite any change in our, your constitution by amalgamation, consolidation, reconstruction, death, retirement, admission of any new partner or otherwise.

Certain countries may have tax legislation with extra-territorial effect regardless of your place of domicile, residence or citizenship. We do not provide any legal or tax advice and you should seek legal and/or tax advice from an independent legal and/or tax adviser; and

46.46 Any member of the Standard Chartered Group may take any action it believes to be necessary to comply, or in connection, with the matters set out in clause 36.43. This includes freezing funds, preventing operation of an account, refusing a request for funds from you, otherwise not allowing you to use a product, or delaying or cancelling a transaction. It need not notify you until a reasonable time after it is permitted to do so under those laws and policies. No member of the Standard Chartered Group is liable for any loss arising out of any action taken or any delay or failure by us, or a member of the Standard Chartered Group, in exercising any of its rights or performing its obligations, caused in whole or in part by any steps taken as set out above.
