

In these trying times, your well-being is our priority. We also need to safeguard the health of our colleagues who support your banking needs.

We understand your concern about the current situation of COVID-19 and hence, we have taken a series of steps to minimize the risks to our stakeholders, to give you a safe banking experience. These include:

- Conducting frequent sanitisation & disinfection of our branch premises
- Temperature screening at all premises
- Providing masks to our branch colleagues and other client facing personnel
- All necessary precautions regarding additional hygiene measures at all our ATM booths

The safest measure you can take is to stay at home and maintain social distancing. You can do all your banking without visiting our branches - please try our Online Banking and SC Mobile Bangladesh App from anywhere, anytime.

As per government directive, we would kindly request customers who have travelled from abroad in the last 14 days remain in self-quarantine and not visit any bank or booth premises.

We assure you of continued banking support. Stay healthy. Stay safe.
