- 9.1 Unless otherwise specified in the Application Form:
 - (a) the LC must be issued subject to UCP which will be incorporated in the LC.
 - (b) the LC may be subject to URR, and if it is, URR will be incorporated in the LC.
- 9.2 The Bank retains the right to advise and/or restrict the availability to *honour* or negotiate the LC to such person(s) the Bank specifies, even if a Borrower stipulates otherwise in the Application Form.
- 9.3 The Bank may select the *advising bank* without consulting the relevant Borrower even if a different *advising bank* was stipulated by that Borrower in the Application Form.
- 9.4 The Bank will *honour* (for the relevant Borrower's account) all *complying presentations* and presentations accepted by the Bank as the issuing bank.
- 9.5 The Bank may reject any non-complying presentation under the LC even if:
 - (a) the Bank has notified the relevant Borrower that the *presentation* was compliant; or
 - (b) a Borrower instructs the Bank to waive all discrepancies.
- 9.6 If the Bank receives a *complying presentation* the Bank will comply with the Bank's Reimbursable Payment Obligation even if the Bank mistakenly informs the relevant Borrower that the *presentation* was non-compliant. The Bank is not liable to a Borrower for any cost, loss or expense that Borrower suffers or incurs as a result of such mistake.
- 9.7 Each Borrower must ensure that any goods under the LC are permitted to be imported in the relevant country.
- 9.8 **Back-to-Back LC:** Clauses 9.8 to 9.15 will apply if the Bank issues any Back-to-Back LC on a Borrower's Instruction or otherwise on a Borrower's behalf:
- 9.9 **Definitions:**

"**Back-to-Back LC**" means an LC (also known as the "**secondary credit**" or "**slave credit**") issued against another LC (also known as the "**primary credit**" or "**master credit**") of higher value where the applicant of the secondary *credit* and the beneficiary of the primary *credit* are the same person and (as the case may be) where the settlement of the secondary *credit* is obtained by presenting documents received under the secondary *credit* with substituted invoices or other documents to *honour* or *negotiate* the master *credit*.

"**Incoterms** © 2010" means the ICC Official Rules for the Interpretation of Trade Terms published by the ICC (ICC Publication No. 715).
- 9.10 Where the master *credit* is not advised by the Bank, the relevant Borrower will promptly notify the Bank upon becoming aware of any amendment proposed to be made to the master *credit*. No Borrower will agree to or reject any amendment to the master *credit* without the Bank's consent. Any amendment to the slave *credit* will require the Bank's consent and will only take effect after the Bank receives consent from the relevant parties to the slave *credit*.

- 9.11 Where both the master *credit* and the slave *credit* call for the application of CIF terms in accordance with Incoterms © 2010, the Bank may in the slave *credit* stipulate an insured value plus an appropriate higher percentage to match the insured value plus percentage required by the master *credit*, to avoid the master *credit* being "underinsured".
- 9.12 After documents are *presented* under the slave *credit*, the relevant Borrower will, on the Bank's demand, deliver to the Bank that Borrower's Draft, invoice and any other document required to facilitate a *complying presentation* under the master *credit*.
- 9.13 The Bank may:
 - (a) retain possession of any document presented under the slave *credit*;
 - (b) take any action including *presenting* documents to obtain payment under the master *credit*;
 - (c) *honour* or *negotiate* the master *credit*; and
 - (d) apply the proceeds of any drawing or *negotiation* under the master *credit* to pay the corresponding drawing under the slave *credit* irrespective of any discrepancy in any document *presented* under the slave *credit*.
- 9.14 No Borrower will, without the Bank's prior written consent, assign any of the proceeds of the master *credit* to any person.
- 9.15 Each Borrower must ensure that any amount which is due to it by any person (including any *issuing bank* or *confirming bank*) under or in relation to the master *credit* or related underlying Trade Transaction is paid directly to the Bank.

- 10.3 Without prejudice to any other representation in the GMCTU, each Borrower represents to the Bank that:
 - (a) it has not obtained any other financing or granted any Security Interest (other than to the Bank) in relation to the underlying Trade Transaction or any related document of any kind (including a document of title) and that each invoice, purchase order or any other similar document or instrument which is presented to the Bank for financing represents a genuine sale and delivery of goods and/or services; and
 - (b) **Freight Loans:** In respect of Freight Loans, the financing extended shall be used only for payment of freight incurred or to be incurred for the carriage of goods.
- 10.4 The Bank may apply any amount received by the Bank on a Borrower's behalf or for a Borrower's account from any person against any amount the relevant Borrower owes the Bank.

- 12.2 Each acceptance or aval may be evidenced on a Draft or separately as the Bank shall deem appropriate.
- 12.3 Each Borrower's obligation to reimburse the Bank shall not be affected by whether or not presentation of the Draft or other demand has been made or not.
- 12.4 No Borrower will in any circumstances claim that such Reimbursable Payment Obligation should not be fulfilled.
- 12.5 In the case of avalisation, a Draft must be accepted by the relevant Borrower before the Bank adds its aval.

13. Pre-shipment Finance

- 13.1 If the Bank provides any pre-shipment financing, the Bank may pay any proceeds of any pre-shipment financing directly to the relevant Borrower's seller(s).
- 13.2 Each Borrower will deliver to the Bank the original LC and all the original documents required for presentation under the relevant LC or the original or copy of the confirmed purchase order, sales contract (or other relevant contract) or proforma invoice in relation to the underlying Trade Transaction (as the case may be) as soon as possible and, if the Bank requires, the relevant Borrower will ensure, for the financing of any LC, that it is restricted to the Bank or freely available.
- 13.3 Each Borrower must ensure that any amount which is due to it by any person (including any *issuing bank* or *confirming bank*) under or in relation to the underlying Trade Transaction is paid directly to the Bank and accordingly the relevant Borrower must give an irrevocable payment instruction to such person. Each Borrower will provide all assistance the Bank requires to allow the Bank to collect any such amount.
- 13.4 The Bank may convert any pre-shipment financing to post-shipment financing when the relevant LC is issued and the Bank receives the documents required to be presented under the LC. If the Bank exercises its discretion not to convert the pre-shipment financing to a post-shipment financing, the relevant Borrower will be required to pay the Bank all amounts when due.
- 13.5 If any amount which is due to be paid to the Bank under clauses 13.3 or 13.4 above is not paid on time and in full, or any amount so received by the Bank has to be refunded, or any document delivered to the Bank is forged or contains information a Borrower knows is incorrect, any financing that the Bank has made available to that Borrower in relation to the underlying Trade Transaction will become immediately due and payable by the relevant Borrower, and the Bank may reverse any payment that the Bank may have credited to the relevant Borrower's Account.

14. Credit Bills Negotiated – Clean

- 14.2 The Bank may negotiate, prepay, purchase or otherwise provide financing against or in relation to an LC subject to the version of the UCP stated in the LC. Where the Bank is requested to make an early payment before the maturity date of an LC which it had issued, the Bank will nevertheless have recourse to the relevant Borrower (and that Borrower undertakes to indemnify and keep the Bank harmless against any losses, claims and expenses) if: (a) a court injunction is issued against the Bank, preventing the Bank from paying the proceeds of the LC on maturity date (when the Bank already made payment under the LC); (b) a dispute arose between that Borrower and the applicant of the said LC with regard to the underlying agreement; or (c) there is fraud or an allegation of fraud on the part of the relevant Borrower by the applicant of the said LC.
- 14.3 Unless the Bank expressly agrees otherwise (or the Bank has confirmed an LC issued in a Borrower's favour and that Borrower has *presented a complying presentation* to the Bank), any utilisation of the Facility whether by way of *honour, negotiation, prepayment, purchasing or financing* the Bank may provide to the relevant Borrower is with full recourse to that Borrower in all circumstances for the principal amount (together with interest) in the currency in which the Bank has negotiated, prepaid, purchased or financed and for any losses arising from any event whereby the Bank is prevented or prohibited in any way from converting an amount (in full or in part) from one currency into another fully convertible currency (as determined by the Bank). - 14.4 Without prejudice to any other representation in the GMCTU, each Borrower represents to the Bank that it has not obtained any other financing or granted any Security Interest (other than to the Bank) in relation to the underlying Trade Transaction and that each invoice, purchase order or any other similar document or instrument which is presented to the Bank for financing represents a genuine sale and delivery of goods and/or services.
- 14.5 The Bank may apply any amount received by the Bank on a Borrower's behalf or for a Borrower's account from any person against any amount the relevant Borrower owes the Bank.

Without prejudice to the foregoing, where the Bank has negotiated or discounted a LC on a without recourse basis; and the Bank has agreed to provide any *negotiation*, prepayment, purchasing or financing in a currency which differs from the currency in which the LC is denominated, the Bank shall have recourse to the relevant Borrower for the principal amount (together with interest) in the currency in which the Bank has *negotiated*, prepaid, purchased or financed and for any loss arising from any event where the Bank is prevented or prohibited in any way from converting any amount received (in full or in part), denominated in the currency in which the LC was denominated, into another fully convertible currency.
- 15.4 Without prejudice to any other representation in the GMCTU, each Borrower represents to the Bank that it has not obtained any other financing or granted any Security Interest (other than to the Bank) in relation to the underlying Trade Transaction and that each invoice, purchase order or any other similar document or instrument which is presented to the Bank for financing represents a genuine sale and delivery of goods and/or services.
- 15.5 The Bank may apply any amount received by the Bank on a Borrower's behalf or for a Borrower's account from any person against any amount the relevant Borrower owes the Bank.
- 15.6 Each Borrower must ensure that any amount which is due to it by any person (including any *issuing bank* or *confirming bank*) under or in relation to the underlying Trade Transaction is paid directly to the Bank and accordingly the relevant Borrower must give an irrevocable payment instruction to such person. Each Borrower will provide all assistance the Bank requires to allow the Bank to collect any such amount.
- 15.7 If the LC *issuing bank* subsequently accepts the documents, the Bank may, at its sole discretion, reduce utilisation by the amount of the relevant accepted *presentation* under the Facility.
- 15.8 If the documents *presented* are a *complying presentation*, the Bank may, at its sole discretion, still allow utilisation under the Facility.

- 16.2 The relevant version of the UCP which governs the *transferable* LC will apply in relation to the transfer of the LC provided that if there is any inconsistency between that UCP and these terms, the latter will prevail.
- 16.3 Each Borrower will deliver to the Bank the original *transferable* LC and any amendments that it receives. No Borrower will inform the *issuing bank, applicant* or the transferee (the "*second beneficiary*") of the acceptance of any *amendment* to the original *transferable* LC before obtaining the Bank's approval in writing. - 16.8 If a Borrower does not deliver documents or correct any discrepancies in the documents it delivers to the Bank within the time limits and in the manner notified by the Bank to the relevant Borrower under the *transferable* LC, the Bank may present the *second beneficiary's* documents directly to the *confirming bank* or the *issuing bank*.

- 20.2 **Reimbursement:** When the Bank undertakes a Reimbursable Payment Obligation, the relevant Borrower shall:
 - (a) immediately reimburse the Bank in full in the same currency together with interest from and including the date of such payment to and including the date of such reimbursement (such interest to accrue on a daily basis at such rate as the Bank may reasonably charge and as set out in the Facility Letter); or
 - (b) if the Bank specifies, the relevant Borrower will on or shortly before the date on which the Bank makes (or is likely to make) a Reimbursable Payment Obligation pay to the Bank a sum equal to such payment. The Bank may hold all or part of such sum in an account in the

Bank's name, under the Bank's sole dominion and control and/or apply all or part of such sum against the Borrower's Reimbursable Payment Obligation.

- 20.3 **Discrepant documents:** The Bank may refuse to honour a Trade Payment Instrument and reject any demand or document presented to the Bank under it, if any such demand or document does not comply with the Trade Payment Instrument terms, even if the relevant Borrower accepts or instructs to the contrary.
- 20.4 **Form of Trade Payment Instruments:** Notwithstanding any Instruction or the contents of the relevant Application Form, the Bank may issue, amend or supplement any Trade Payment Instrument in such form and content as the Bank may decide.
- 20.5 **Accuracy of supplied text:** The Bank is not obliged to check or to ensure the accuracy of any information supplied to the Bank to be inserted into any Trade Payment Instrument.
- 20.6 **Honouring demands/presentations:** If the Bank receives a complying demand or complying presentation under a Trade Payment Instrument, the Bank may make payment without obtaining any evidence that the amount demanded is due and payable and without notice or reference to the relevant Borrower even if that Borrower disputes the validity of the demand/presentation. No Borrower will under any circumstances claim that such payment was not due or should not have been made.
- 20.7 **Early payment:** The Bank may make payment under any Reimbursable Payment Obligation at any time before it becomes (or is stated to become) payable and the relevant Borrower's reimbursement obligations to the Bank will still apply.
- 20.8 **Extensions and Amendments:** The terms in this clause will extend to all extensions, renewals, amendments, modifications, replacements or variations of the Trade Payment Instruments.

21. Security Terms

- 21.1 **Definitions:**

"Delivered Pledged Item" means any Pledged Item the Bank delivers to a Borrower.

"Pledge" means any pledge security interest a Borrower grants to the Bank over any Transaction Item as contemplated in the Agreement.

"Pledged Item" means any Transaction Item which is the subject of a Pledge.

"Pledged Goods" means any document of title, goods, chattels or other tangible things which are the subject of a Pledge.
- 21.2 **Pledge of documents and goods:** The Bank will have a Pledge over all Transaction Items for each Trade Transaction and as continuing security for the payment and discharge of all General Obligations relating to that Trade Transaction which belong to the relevant Borrower and are at any time:
 - (a) in the Bank's or the Bank's agent's or representative's possession; or
 - (b) where the Bank has issued an LC, in the possession of a nominated bank,

where any such possession may be actual or constructive. If and when the Bank's possession or the possession of the Bank's agent, representative or nominated bank (as contemplated above) of any Transaction Item ceases, the Pledge of that Transaction Item will cease. For the avoidance of doubt, the Bank's possession will not cease where a trust is created as contemplated by the provisions relating to trust receipts.
- 21.3 **Pledge unaffected:** The Pledge over any Transaction Item is in addition to and will not affect or be affected by any other

Security Interests, rights or remedies the Bank may hold or exercise in respect of any General Obligation.

21.4 **No prior encumbrance:** Each Borrower must have good title to each Pledged Item and ensure that no person (other than the Bank) at any time has any Security Interest or other interest in (or claim over) any Pledged Item whilst the Pledge over that Pledged Item exists.

21.5 **Risk in Pledged Items:** Each Borrower will hold all risk in any Pledged Item. The Bank is not responsible and will not be liable for any cost, loss or expense in relation to any Pledged Item.

21.6 **Insurance:**

- (a) Each Borrower must at its own expense:
 - (i) insure all Pledged Goods at all times with reputable insurers against such risks as a prudent company carrying on a similar business to the relevant Borrower;

 - (iii) act as a prudent owner in relation to managing any risk associated with any Pledged Goods and in relation to any such insurance (including the making of any claims);

 - (v) pay all insurance proceeds directly to the Bank or the Bank's order; and
 - (vi) take any action the Bank may require in relation to any Pledged Goods and any insurance, including naming the Bank as loss payee and/or co-insured in relation to any insurance and assigning insurance proceeds to the Bank by way of continuing security for such General Obligations as the Bank may identify, and take such steps as the Bank may require in relation to the above.
- (b) Each Borrower must not do (or omit to do) anything which will (or is likely to) make any insurance void or voidable.
- (c) All or any part of any insurance proceeds received by the Bank may be held by the Bank in suspense and/or applied by the Bank against any General Obligations.

21.7 **Other obligations:** Each Borrower must:

- (a) not sell, encumber or dispose of any Pledged Item or its right, title or interest in any Pledged Item unless permitted under the Facility Letter or otherwise agreed by the Bank in writing;
- (b) pay all costs and expenses in relation to any Pledged Goods, including the cost of insuring, storing or transporting them;
- (c) ensure that all Pledged Goods are kept separate from any other goods and are clearly marked; and
- (d) ensure that any person who is in actual possession of any Pledged Goods acknowledges to the Bank in writing that they are held to the Bank's order.

21.8 **Dealing with Pledged Item:** The Bank may deal with and take any action in relation to, any Pledged Item, including selling, disposing, transporting, warehousing, landing or insuring any Pledged Item or making a claim on any insurance policy. Each Borrower must reimburse the Bank on demand in relation to any cost or expense the Bank incurs in relation to the Bank's dealing or taking action in relation to any Pledged Item.

21.9 **Authority to act in a Borrower's name:** Each Borrower irrevocably authorises and appoints the Bank and any of the Bank's officers or employees to be its agent and act on its behalf (and its name) from time to time to execute and deliver all documents and do all acts as the Bank considers necessary or desirable to:

- (a) constitute, preserve or perfect the Pledge intended to be granted to the Bank;
- (b) exercise the Bank's rights and remedies under the Agreement or in relation to any Pledged Item including selling and transferring any Pledged Item to a purchaser or applying for or making a claim on any insurance policy; and
- (c) appoint or engage any agent or other person (each a "Delegate") to carry out any function or to assist the Bank in providing any Trade Service.

A Borrower's authorisation and appointment under this clause will include any right to sub-delegate or substitute this authorisation or appointment to any of the Bank's officers or employees and will continue until such time the Agreement is terminated or all of the relevant Borrower's General Obligations are fully satisfied (whichever is later). Each Borrower hereby ratifies (and agrees to ratify promptly upon the Bank's request at any time) any action which the Bank or any of the Bank's officers or employees or any Delegate take as contemplated by this clause.

21.10 **Delivery of Pledged Item to a Borrower:** Each Borrower will hold any Delivered Pledged Item on trust for the Bank (unless the Bank stipulates otherwise), and the Bank's Pledge over such Delivered Pledged Item will continue.

21.11 **Release of any Pledged Item:** The Bank can, by notifying the relevant Borrower, release and discharge:

- (a) any Delivered Pledged Item from the trust the Bank has over it; and/or
- (b) any Pledged Item from the Pledge

21.12 **Dealing with Delivered Pledged Item**

- (a) Each Borrower must hold any Delivered Pledged Item to the Bank's order and comply, at the relevant Borrower's cost, with any instructions the Bank gives that Borrower in relation to any Delivered Pledged Item, including delivering any Delivered Pledged Item to the Bank or any other person and providing the Bank such access and assistance as the Bank may require at any time to inspect any Delivered Pledged Item.
- (b) Each Borrower remains bound by its obligations under this clause, except that a Borrower may sell any Delivered Pledged Item to any person(s) for a fair market value and on arm's length commercial terms. All sale proceeds must be paid in full directly to the Bank. If the Bank agrees that a Borrower may receive the sale proceeds, that Borrower must promptly upon receipt pay them to the Bank in full and in the meantime hold them on trust for the Bank.
