

CLIENT NOTICE

FX Spot Pricing

Detailed listing of Foreign Exchange Spot Pricing.

Standard Chartered Bank wishes to remind all clients of the foreign exchange spot pricing that is in effect.

Product	Minimum	Maximum	Details / Remarks
FX Spot	10 bps	<p>300 bps (single transactions executed by dealer)</p> <p>500 bps (board rates at point of setting the rate)</p>	<p>For board rates, point of setting refers to the spread applied at the point of setting the board rate. As these are held rates, it is noted that in volatile markets, the spread (as measured by client rate vs market rate) at point of execution may exceed the threshold</p> <p>Typically, board rates should only be used for transactions < USD 50,000</p>
