

Global expertise to help you preserve
and grow your wealth

We all have different priorities in life. Be it securing our family's financial future, pursuing global investment opportunities, spending more time on activities that we are passionate about or being recognised and rewarded for our achievements, our priorities are usually a combination of these and more. And they will continue to evolve and change over time.

At Standard Chartered Priority Banking we recognise that.

We work with you to understand and support your priorities so that we can tailor the right mix of exceptional service, unique benefits and innovative solutions with our global expertise. Our comprehensive approach puts you at the centre of everything we do, and recognises your total relationship with us, giving you a distinct advantage in achieving all your financial priorities.

Priority Banking treasures your trust and support. If you are satisfied with our services, please recommend us to your families and friends. Your referral is the best recognition of our services.
