28 March 2013

STANDARD CHARTERED PLC (Stock Code: 02888)

To ordinary shareholders and, for information only, preference shareholders

28 March 2013

Dear Shareholder

I am pleased to be sending you details of our Annual General Meeting ('AGM'), which we are holding on Wednesday 8 May 2013 at 11.00am London time (6.00pm Hong Kong time) at etc.venues, 200 Aldersgate, St Paul's, London EC1A 4HD. The formal notice of our AGM starts on page 5 of this document.

At the AGM, I will present a review of the year's results and current business and there will be an opportunity for you to ask questions on the Company's performance and on each of the resolutions being proposed at the AGM.

Final dividend

Shareholders are being asked to approve a final dividend of 56.77 US cents per ordinary share for the year ended 31 December 2012. If approved, this will be paid in either sterling, Hong Kong dollars or US dollars on Tuesday 14 May 2013 to shareholders on the UK register of members at the close of business in the UK (10.00pm London time) on Friday 15 March 2013, and to shareholders on the Hong Kong branch register of members at the opening of business in Hong Kong (9.00am Hong Kong time) on Friday 15 March 2013. The final dividend will be paid in Indian Rupees on Tuesday 14 May 2013 to Indian Depository Receipt holders on the Indian register at the close of business in India on Friday 15 March 2013. For details on the dividend arrangements, please refer to the 2012 Final Dividend circular and the Dividend Terms and Conditions which are available on our website at: <http://investors.standardchartered.com/en/dividend.cfm>

Board changes

In accordance with the provision of the UK Corporate Governance Code, all directors will be standing for re-election this year.

Since the last AGM, we have appointed four independent non-executive directors to the Board. Margaret Ewing and Lars Thunell were appointed on 1 November 2012, and Om Bhatt and Louis Cheung were appointed on 1 January 2013.

Val Gooding and Richard Delbridge will be stepping down from the Board with effect from 1 May 2013. The Board and I would like to take this opportunity to thank them for their dedicated service and the valuable contributions they have made to the Company. We wish them every success for the future.

Since 2005, 16 directors have joined the Board and, by the time of the AGM, 12 directors will have stepped down. During 2012, there were five changes to the Board, including the addition of one executive director and four independent non-executive directors as part of the first phase of our Board succession plan. We have commenced the search for three additional independent non-executive directors to be appointed during 2014 as part of the second phase of our Board succession plan and we anticipate that at least two existing independent non-executive directors will step down from the Board during 2014. This demonstrates the Group's commitment to regularly refreshing the composition of the Board as required under the UK Corporate Governance Code whilst enabling some of our long-standing independent non-executive directors to step down from the Board in a seamless way over the next three years.

At the date of the AGM, Jamie Dundas, Rudy Markham, Ruth Markland and Paul Skinner will all have served as directors for over nine years and as a result, their continued independence has been the subject of particular scrutiny by the Board. The individuals concerned were recused from the conversation about themselves. In relation to each individual, Board members could point to numerous specific examples of how that individual had displayed independence of thought, mindset and judgment over the last nine years. On that basis, and combined with the significant refresh of the Board's composition which is underway, the Board unanimously agreed that Jamie, Rudy, Ruth and Paul remained independent.

Rudy continues to demonstrate excellent stewardship as Senior Independent Director and Chairman of the Audit Committee while Jamie, Ruth and Paul continue to demonstrate excellent stewardship as Chairs of the Board Risk, Remuneration and the Brand and Value Committees, respectively. Their continuity of service and commitment provides an in-depth knowledge and understanding of the Group that is invaluable to the Board.

Employee share plans

Our existing sharesave plans expire in May 2014. It has always been the Group's aim to encourage wider employee share ownership through the operation of all-employee sharesave arrangements. Therefore, at the AGM, we are seeking shareholder approval for a new sharesave plan. The new plan is being proposed as an 'umbrella' plan which will replace both the 2004 UK Sharesave Scheme approved by HM Revenue and Customs and the 2004 International Sharesave Scheme. The new plan will have broadly the same terms as the existing sharesave arrangements.

Voting arrangements

Voting at the meeting will be conducted by way of a poll.

If you are not able to attend the AGM but would like to vote on the resolutions, please vote electronically at www.eproxyappointment.com/STDH. Instructions can be found on pages 20 and 21 of this document. Alternatively, you can complete the proxy form sent to you with this document and return it to our branch registrar. All proxy forms must be received by 6.00pm Hong Kong time on Monday 6 May 2013.

Explanatory notes on all the business to be considered at this year's AGM appear on pages 8 to 17 of this document. The Board considers that all the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. The Board recommends all shareholders vote in favour of all the resolutions, as the directors intend to do in respect of their own shares (with the exception of resolution 26). In accordance with Rule 7.19(6) of the Hong Kong Listing Rules, the executive directors and their respective associates will abstain from voting in favour of resolution 26 for the reasons set out on pages 14 and 15 of this document.

Lunch will be served after the AGM and the directors and I very much hope you will be able to join us.

Yours sincerely

Sir John Peace
Chairman

Explanatory Notes to the Notice of Annual General Meeting

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 27 and 32 (inclusive) are proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 28 to 31 (inclusive) are proposed as special resolutions. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Please note that a 'vote withheld' (as appears on the proxy form) is not a vote in law and will not be counted in the calculation of the proportion of votes 'for' or 'against' a resolution.

Resolution 1: Annual report

The directors are required by law to present, for each financial year, copies of the Company's annual report and accounts to shareholders at a general meeting.

Resolution 2: Declaration of the final dividend (including share dividend alternative)

Final dividends must be approved by shareholders but cannot be more than the amount recommended by directors. If the AGM approves resolution 2, the final dividend of 56.77 US cents per ordinary share will be paid in either sterling, Hong Kong dollars or US dollars on Tuesday 14 May 2013 to shareholders on the UK register of members at the close of business in the UK (10.00pm London time) on Friday 15 March 2013, and to shareholders on the Hong Kong branch register of members at the opening of business in Hong Kong (9.00am Hong Kong time) on Friday 15 March 2013. The final dividend will be paid in Indian Rupees on Tuesday 14 May 2013 to Indian Depository Receipt holders on the Indian register at the close of business in India on Friday 15 March 2013.

It is intended that shareholders on the UK register and Hong Kong branch register will be able to elect to receive shares credited as fully paid instead of all or part of the final cash dividend. Details of the dividend arrangements will be sent to shareholders on or around Thursday 28 March 2013. Indian Depository Receipt holders will receive their dividend in Indian Rupees only. Please see the separate document entitled '2012 Final Dividend' and the related 'Dividend Terms and Conditions' which are available on our website at: <http://investors.standardchartered.com/en/dividend.cfm>.

The Stock Exchange of Hong Kong Limited (the 'Stock Exchange') granted a waiver to the Company on 7 December 2011 from compliance with Rule 13.66(2) of

the Rules Governing The Listing of Securities on the Stock Exchange and Note 3 thereunder relating to record dates for the Company's final dividends.

Resolution 3: Directors' remuneration report

The Company is required by law to seek the approval of shareholders of its annual report on remuneration policy and practice. Shareholders are invited to vote on the directors' remuneration report, which may be found on pages 160 to 185 of the annual report and accounts.

Resolutions 4 to 22: Election and re-election of directors

The Company's articles of association require any newly appointed director to retire at the first AGM following his or her appointment. Shareholders are therefore asked to elect Mr Om Bhatt, Dr Louis Cheung, Mrs Margaret Ewing and Dr Lars Thunell who have been appointed as independent non-executive directors by the Board since the last AGM.

In accordance with the provisions of the UK Corporate Governance Code, all of the other directors will be standing for re-election this year.

Mr Om Bhatt, Dr Louis Cheung, Mr Jamie Dundas, Mrs Margaret Ewing, Dr Han Seung-soo KBE, Mr Simon Lowth, Mr Rudy Markham, Ms Ruth Markland, Mr John Paynter, Mr Paul Skinner, Mr Oliver Stocken and Dr Lars Thunell are all independent non-executive directors and therefore do not have contracts of employment.

Mr Steve Bertamini, Mr Jaspal Bindra, Mr Richard Meddings, Sir John Peace, Mr Mike Rees, Mr Peter Sands and Mr Viswanathan Shankar each have a contract of employment with a notice period of one year.

The Nomination Committee is responsible for making recommendations to the Board on directorship appointments and the suitability of candidates required to produce a balanced board and establishing succession plans.

The Nomination Committee has reviewed the performance of the directors submitting themselves for election and re-election and has made recommendations to the Board on their election or re-election. Any independent non-executive directors appointed for any term beyond six years are subject to a particularly rigorous review and such review takes into account the need for progressive refreshing of the Board.

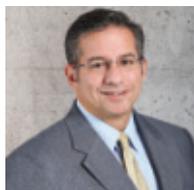

The Board considers all the directors submitting themselves for election and re-election are highly experienced and have a broad understanding of the financial services industry. In view of their experience and performance, the Board

considers that they will each continue to make a valuable contribution to the Company.

None of the directors standing for election or re-election has any relationship with any other director, member of senior management or substantial or controlling shareholder of the Company. The Company's Nomination Committee has considered the fact that Rudy Markham is a non-executive director on the board of AstraZeneca PLC whilst Simon Lowth is an executive director at the same company. We do not believe that this creates a cross-directorship which in any way impacts upon the independence of either director. The biographical information in respect of each of these directors complies with the disclosure requirements as set out in the Hong Kong Listing Rules. As such, there are no other matters that need to be brought to the attention of holders of securities of the Company and no other information to be disclosed pursuant to the requirements of Rule 13.51(2)(h) to (v) of the Hong Kong Listing Rules.

The interests in the ordinary shares of the Company of the directors standing for election or re-election as at 19 March 2013, the latest practicable date for determining such information are set out on page 22.

Current basic annual fees for independent non-executive directors are £100,000 with additional fees for ordinary membership or chairmanship of a Board Committee as follows:

Committee	Ordinary membership	Chairmanship
Audit	£30,000	£65,000
Brand and Values	£25,000	£50,000
Governance	No fees	No fees
Nomination	£15,000	N/A
Remuneration	£25,000	£50,000
Board Risk	£30,000	£65,000

Sir John Peace is the Chairman of the Company. He receives an annual base fee, part delivered in cash £650,000 and part delivered in restricted shares £500,000 granted in two equal tranches annually. Mr Rudy Markham, as the Senior Independent Director of the Company, receives a fee of £30,000 in addition to his current fees.

Salary levels for executive directors are reviewed annually by the Remuneration Committee and only amended as appropriate taking account of the latest available market data. The annual base salary levels of executive directors standing for election or re-election were as follows:

Notes

1. With effect from 1 April 2013, Jaspal Bindra's base salary will be set in Hong Kong dollars. His existing GBP salary has been converted using an average exchange rate for 2012.

In addition, the executive directors are eligible to receive a discretionary performance-related compensation as described more fully on pages 160 to 185 of the annual report and accounts.

Resolutions 23 and 24: Reappointment of auditor and setting of auditor's fees

At each general meeting at which accounts are presented, the Company is required to appoint an auditor to hold office until the end of the next such meeting. The performance and effectiveness of the auditor, which included an assessment of the auditor's independence and objectivity, has been evaluated by the Company's Audit Committee which has recommended to the Board that KPMG Audit Plc be re-appointed. KPMG Audit Plc has also indicated that it is willing to continue as the Company's auditor for another year. Shareholders are asked to re-appoint KPMG Audit Plc as auditor and, following normal practice, to authorise the Board to set the auditor's fees.

Resolution 25: Authority to make donations to political parties, political organisations and independent election candidates and incur political expenditure

It is not the Group's policy to make political donations. However, it is possible that certain routine activities undertaken by the Company and its subsidiaries might unintentionally fall within the broad scope of the provisions controlling political donations and expenditure. Any political donations or expenditure regulated by the Companies Act 2006 must be approved by shareholders at a general meeting and be disclosed in the next year's annual report. Accordingly, the directors seek shareholders' approval to renew the authority for political donations and expenditure to be made by the Company. As permitted under the Companies Act 2006, the resolution covers any political donations made or political expenditure incurred by the Company's subsidiaries. The three categories set out in the Companies Act 2006 are: political parties and independent election candidates, political organisations and political expenditure. The resolution proposes a cap of £100,000 per category subject to an aggregate cap for authorised political donations or expenditure of £100,000. The authority being sought will be effective from Wednesday 8 May 2013 until the end of the next year's AGM unless previously renewed, revoked or varied by the Company in a general meeting. The Companies Act 2006 permits shareholders to grant authority for up to four years. However, the directors will seek to renew this authority at each AGM.

Resolutions 26 and 27: Directors' authority to allot shares

Under section 551 of the Companies Act 2006, the directors may only allot shares, or grant rights to subscribe for or convert any security into shares, if shareholders in general meeting have given them authority to do so. The authority given to the directors at last year's AGM to allot ordinary shares or grant rights to subscribe for or convert any security into such shares will expire at the end of this year's AGM. Accordingly, resolution 26 seeks shareholders' approval to renew this authority.

Paragraph (A) of resolution 26 asks for a new authority to be given to allow the directors to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal amount equal to US\$241,734,701 (representing 483,469,402 ordinary shares of US\$0.50 each), such amount to be reduced to take into account amounts allotted or granted under paragraphs (B) and (C) of resolution 26. This amount represents approximately 20 per cent of the issued ordinary share capital of US\$1,208,673,505.50 as at 19 March 2013, the latest practicable date prior to the publication of this document. The Hong Kong Listing Rules do not permit the directors to allot, on a non pre-emptive basis, shares or rights to shares that would represent more than 20 per cent of the issued ordinary share capital as at the date on which the resolution granting them a general authority to allot is

passed. Accordingly, paragraph (A) of resolution 26 restricts the authority of the directors to the 20 per cent threshold.

Paragraph (B) of resolution 26 would give the directors the authority to make allotments which exceed the 20 per cent authority under paragraph (A) of resolution 26 in connection with offers to ordinary shareholders or by way of share dividend (scrip), up to an aggregate nominal amount (when combined with any allotments made under the authority in paragraph (A)) equal to US\$402,891,168.50 (representing 805,782,337 ordinary shares of US\$0.50 each), such amount to be reduced to take into account amounts allotted or granted under paragraphs (A) and (C) of resolution 26. This amount represents approximately one-third of the issued ordinary share capital of the Company as at 19 March 2013, the latest practicable date prior to the publication of this document.

In line with guidance issued by the Association of British Insurers, paragraph (C) of resolution 26 would give the directors authority to allot shares or grant rights to subscribe for or convert any security into shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to US\$805,782,337 (representing 1,611,564,674 ordinary shares), as reduced by the nominal amount of any shares issued under paragraphs (A) or (B) of resolution 26. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital of the Company as at 19 March 2013, the latest practicable date prior to the publication of this document.

Under Rule 7.19(6) of the Hong Kong Listing Rules, if a proposed rights issue would increase either the issued share capital or the market capitalisation of the Company by more than 50 per cent (on its own or when aggregated with any other rights issues or open offers announced within the previous 12 months), then the issue must ordinarily be made conditional on approval by shareholders in general meeting by a resolution on which the executive directors and their associates must abstain from voting. However, The Stock Exchange of Hong Kong Limited has granted a waiver to the Company from strict compliance with Rule 7.19(6) of the Hong Kong Listing Rules on 6 March 2009 in order to place the Company on an equal footing with other UK listed companies. The waiver has been granted on the basis that:

1. the executive directors and their associates would abstain from voting on the relevant resolution in their capacity as shareholders; and
2. if the Company were to do a rights issue, the Company would not need to obtain shareholder approval under Rule 7.19(6) of the Hong Kong Listing Rules provided that:
 - i. the market capitalisation of the Company will not increase by more than 50 per cent as a result of the proposed rights issue; and

- ii. the votes of any new directors appointed to the Board since the AGM would not have made a difference to the outcome of the relevant resolution at the AGM if they had been shareholders at the time and they had in fact abstained from voting.

Under the Hong Kong Listing Rules the directors are required to seek authority from shareholders to allot shares and grant rights to subscribe for or convert any security into shares pursuant to the Company's existing share schemes or those of its subsidiary undertakings. Paragraph (D) of resolution 26 seeks such authority for schemes adopted prior to the date of the AGM.

The directors intend to use the authorities sought under resolution 26 to allot ordinary shares as share dividends instead of cash dividends and following the exercise of options and awards under the Company's share schemes. Otherwise, the authorities will also give the directors flexibility to issue shares where they believe it is in the interests of shareholders to do so.

As permitted by the Hong Kong Listing Rules, resolution 27 seeks to extend the directors' authority to allot shares and grant rights to subscribe for or convert any security into shares pursuant to paragraph (A) of resolution 26 to include the shares repurchased by the Company under the authority to be sought by resolution 29.

The authorities sought under resolution 26 will expire at the end of next year's AGM (or, if earlier, at the close of business on 7 August 2014).

As at the date of this document, no shares are held by the Company in treasury.

Resolution 28: Power to allot equity securities for cash without certain formalities

This resolution would give the directors the authority to allot shares (or sell any shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

This authority would be limited to allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary, or otherwise up to an aggregate nominal amount of US\$60,433,675 (representing 120,867,350 ordinary shares of US\$0.50 each). This aggregate nominal amount represents approximately five per cent of the issued ordinary share capital of the Company as at 19 March 2013, the latest practicable date prior to the publication of this document. In respect of this aggregate nominal amount, the directors confirm their intention to follow the provisions

of the Pre-Emption Group's Statement of Principles (the 'Principles') regarding cumulative usage of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5 per cent should not take place without prior consultation with shareholders.

The authorities sought pursuant to resolution 28 will expire at the end of next year's AGM (or, if earlier, at the close of business on 7 August 2014).

Resolution 29: Authority to purchase ordinary shares

The effect of this resolution is to renew the authority granted to the Company to purchase its own shares up to a maximum of 241,734,701 ordinary shares until the AGM in 2014 at, or between, the minimum and maximum prices specified in this resolution. This is approximately 10 per cent of the Company's issued ordinary share capital as at 19 March 2013 (the latest practicable date prior to the publication of this document). No repurchases of shares will be conducted on The Stock Exchange of Hong Kong Limited.

The directors believe that it is in the best interests of the Company and all of its shareholders to have a general authority for the Company to buy back its ordinary shares in the market. The directors intend to keep under review the potential to purchase ordinary shares. Purchases will only be made if the directors consider that the purchase would be for the benefit of the Company and of its shareholders generally, taking into account relevant factors and circumstances at that time, for example the effect on earnings per share. The Companies Act 2006 permits the Company to hold any such bought back shares in treasury as an alternative to cancelling them immediately. If the Company purchases any of its ordinary shares and holds them in treasury, the Company may sell these shares (or any of them) for cash, transfer these shares (or any of them) for the purposes of or pursuant to an employee share scheme, cancel these shares (or any of them) or continue to hold them in treasury. Holding such shares in treasury gives the Company the ability to reissue them quickly and cost effectively and provides additional flexibility in the management of the Company's capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, shares held in treasury. The directors intend to decide whether to cancel shares purchased pursuant to this authority or hold them in treasury based on the interests of the Company and shareholders as a whole at the relevant time.

The total number of options to subscribe for ordinary shares outstanding at 19 March 2013, the latest practicable date prior to the publication of this document, was 58,462,605, which represented 2.42 per cent of the issued ordinary share capital at that date. If the Company were to purchase

the maximum number of ordinary shares permitted under the existing authority given at the 2012 AGM and by this resolution, the options outstanding at 19 March 2013 would represent approximately 2.69 per cent of the issued ordinary share capital.

Resolution 30: Authority to purchase preference shares

The effect of this resolution is to renew the authority granted to the Company to purchase up to 195,285,000 sterling preference shares and up to 477,500 US dollar preference shares. No sterling and US dollar preference shares have been repurchased since the last AGM on Wednesday 9 May 2012.

Whilst it is important to have a capital base which is adequate to allow the business to grow in all areas and which appears to offer an appropriate balance between risk and profitability, it is equally important that the Company does not carry excessive amounts of capital and that it uses the most appropriate mix of capital instruments on the balance sheet. Having the authority to buy back all the issued preference shares would provide the Company with further flexibility in managing the capital base. Accordingly, the directors believe that it is in the best interests of the Company and its shareholders as a whole to have the authority sought by this resolution.

The directors intend to keep under review the potential to buy back preference shares, taking into account other investment and funding opportunities. The authority will be exercised only if the directors believe that to do so would be in the interests of shareholders generally. As noted above, the Companies Act 2006 permits the Company to hold any such bought back shares in treasury as an alternative to cancelling them immediately. Accordingly, if the Company purchases any of its preference shares, those shares may be cancelled or held in treasury by the Company. The directors intend to make such decision at the time of purchase based on the interests of the Company and shareholders generally.

Resolution 31: Notice of general meetings

Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (AGMs will continue to be held on at least 21 clear days' notice).

Before the coming into force of the Shareholders' Rights Regulations on 3 August 2009, the Company was able to call general meetings other than an AGM on 14 clear days' notice without obtaining such shareholder approval. In order to preserve this ability, resolution 31 seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

Note that the changes to the Companies Act 2006 mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

Resolution 32: To approve the Standard Chartered 2013 Sharesave Plan

The Group believes strongly in encouraging employee share ownership at all levels in the organisation. It seeks to engage employees in the Group's performance, align their interests more closely with those of shareholders and offer them an opportunity for long-term savings and a share in the Group's financial success which they help to create. Since 1984, the Group has operated a sharesave scheme in which all UK-based employees are eligible to participate. In 1996 an International Sharesave Scheme was launched and made available to all employees based outside the UK. The existing UK and international sharesave schemes expire in May 2014 and the Board seeks shareholder approval for a new single sharesave plan which can be used for all employees including those in the UK.

A summary of the proposed sharesave plan is set out in the Appendix to this document. A copy of the full rules of the Standard Chartered 2013 Sharesave Plan is available for inspection, as detailed in the Notes Section of this document.

The Board recommends all shareholders vote in favour of all the resolutions, as the directors intend to do in respect of their own shares (with the exception of resolution 26 (see below)) and consider that the resolutions are in the best interests of the Company and shareholders as a whole. In accordance with Rule 7.19(6) of the Hong Kong Listing Rules, the executive directors and their respective associates will abstain from voting in favour of resolution 26 for the reasons set out on pages 14 and 15 of this document.

Standard Chartered 2013 Sharesave Plan (the 'Plan') – Key Features

Save for those requirements that have been waived by The Stock Exchange of Hong Kong Limited on 2 November 2012 regarding Note (1) to each of Rules 17.03(3) and (9), the requirements under Rule 17.03 will have been complied with in the Plan, the rules of which will be available for inspection by shareholders at 1 Basinghall Avenue, London EC2V 5DD and at the offices of Slaughter and May, 47th Floor, Jardine House, One Connaught Place, Central, Hong Kong from the date of this document until the end of the AGM and at the etc.venues, 200 Aldersgate, St Paul's, London EC1A 4HD from 15 minutes before the AGM until it ends. Set out below is a summary of the rules of the Plan:

1. Purpose of the plan

The Group has operated all-employee sharesave plans for many years. Sharesave is a popular benefit and has enhanced our employees' sense of identification with the Group. Sharesave also offers employees an opportunity for long-term savings and to share in the Group's financial success they help to create.

The Plan will replace the existing 2004 UK Sharesave Scheme and 2004 International Sharesave Scheme, under which no further options will be granted. Outstanding options under these existing schemes will be honoured.

Part of the Plan has been designed for approval by Her Majesty's Revenue and Customs ('HMRC') under Schedule 3 to the Income Tax (Earnings and Pensions) Act 2003. Options granted under this part of the Plan (the 'UK Sub-Plan') are potentially subject to more tax effective treatment for UK based employees.

2. Eligibility and participation

All employees, including full-time executive directors, working in designated companies and territories on the date on which invitations to apply for options are issued (or on such earlier date during a period of up to five years ending on such invitation date as the Board may determine) are eligible to participate in the Plan, as are any further employees or directors nominated by the Board for this purpose ('Eligible Employees'). In relation to the UK Sub-Plan to be approved by HMRC, a full-time director is someone obliged to devote not less than 25 hours per week to his duties with the company concerned. Options granted under the Plan are not subject to performance conditions. Options granted under the Plan are not pensionable.

3. Invitations and granting of options

It is intended that the first invitations will be issued under the Plan in October 2013, i.e. during the next annual sharesave invitation period. Thereafter, invitations can be issued

under the Plan during the period of six weeks following the announcement of annual or interim results (or at other times in exceptional circumstances), subject to any options granted in relation to such invitations complying with the UK Listing Rules, the Model Code for transactions in securities by Directors/Persons discharging managerial responsibility, the Hong Kong Listing Rules and other similar local regulations that may apply.

4. Savings contracts

An Eligible Employee who applies for an option under the Plan must enter into a savings contract (in the case of the UK Sub-Plan, this is an HMRC approved savings contract) which requires monthly payments of currently not less than GBP5 and not more than GBP250. The amount which a participant can save in aggregate under all sharesave contracts (including under the Group's other existing sharesave plans) cannot exceed GBP250 per month.

The funds saved (plus interest) are used by the participant to exercise the option. The number of shares covered by the option will be calculated according to the savings to be made, together with an amount of interest expected to be payable at the end of the contract period.

Other than under the UK Sub-Plan, savings are made in local currency and converted into sterling at the prevailing monthly exchange rate. A participant can make 'top-up' contributions in addition to any savings and interest earned, in order to take account of adverse exchange rate movements or differences between the actual and assumed rates of interest applying to his savings. It is envisaged that, unless local laws require a shorter savings period or there are particular tax advantages available to the Group or employee in having a shorter period, the minimum savings period will be that stipulated by prevailing HMRC rules (currently three years).

5. Exercise of options

An option granted under the Plan may not normally be exercised before the maturity date under the relevant savings contract and must be exercised within a period of six months. Special provisions, permitting the early exercise of options in certain circumstances, shall apply in respect of participants who cease employment with the Group before completing their savings contracts in the event of injury, death, disability, redundancy, retirement at contractual retirement age (including early retirement if the participant retires more than three years after the date of grant) or because the company or business which employs the participant is transferred out of the Group. If a participant ceases employment for any other reason, his option lapses. Options are personal to the participant and, except on the death of the participant, may not be transferred. The early exercise of options is also permitted in the exceptional circumstances of a take-over, reconstruction or winding-up of the Company.

Other than under the UK Sub-Plan, following the exercise of an option, the Board may decide that, in lieu of a right to receive ordinary shares, a participant shall be paid a cash sum equivalent to the gain in his option (the Board may also decide to grant “phantom options”, i.e. options which from the outset are intended to be settled in cash). Such cash provisions are typically operated in those jurisdictions where, due to securities laws or other regulatory issues, it is not possible to deliver shares to participants. The ordinary shares to be allotted under the Plan will rank equally in all respects with the ordinary shares already in issue, except for any rights attaching to such shares by reference to a record date that falls before the date of allotment.

6. Limits

The minimum exercise price of the options under the Plan shall not be less than 80 per cent of (a) the average middle market quotation of an ordinary share on the London Stock Exchange Daily Official List for the five dealing days immediately before the date on which invitations to apply for options are given (the ‘Invitation Date’) and (b) the middle-market quotation of Shares on the London Stock Exchange Daily Official List on the dealing day immediately before the Invitation Date.

Commitments to issue new shares (when aggregated with awards made under all other share plans operated by the Group) will not exceed 10 per cent of the issued ordinary share capital from time to time in any rolling 10 year period. In addition (and to comply with the Hong Kong Listing Rules), during the life of the Plan, no options, whether satisfied by new issue or existing shares, shall be granted which would cause the number of shares in the Company in pursuance of options granted under the Plan to exceed such number as represents 10 per cent of the ordinary share capital of the Company in issue at that time. To further comply with the Hong Kong Listing Rules, the total number of shares which shall have been or may be issued pursuant to options granted to each participant in any 12 month period must not exceed one per cent of the Company’s issued share capital.

For the purposes of these limits, treasury shares will count as newly issued shares while this remains best practice. However, awards or other rights to acquire shares which lapse or have been released do not count. It is not considered feasible or appropriate to disclose the value of all options that can be granted under the Plan as the limits set out above do not apply to any one plan in isolation.

7. Variation of share capital

In the event of any variation of share capital, demerger or other corporate event affecting the value of shares to a material extent, the Board may make such adjustments as it considers appropriate to the number of shares subject to an option and the exercise price, in order that a participant’s option retains the same economic value. Adjustments to the terms of any options granted under the UK Sub-Plan must be approved by HMRC.

8. Alterations and additions

The Plan may be altered by the Board as long as the alteration or addition is minor in nature and is made to benefit the administration of the Plan, to take account of a change in legislation or to obtain or maintain favourable tax treatment, exchange control or regulatory treatment (by the London Stock Exchange, The Stock Exchange of Hong Kong Limited or any other regulatory body) for participants or any member of the Group.

Subject to the above paragraph, the prior approval of the Company in a general meeting must be obtained in the case of any amendment to the Plan which is to the advantage of participants and which is made to the provisions relating to eligibility, limits, variation of capital and the basis for determining a participant’s entitlement to shares (and the terms of such shares).

HMRC’s consent is required in respect of amendments to key features of the UK Sub-Plan.

Any alterations or additions to the Plan which are to the material disadvantage of participants as regards options currently held by them require their majority approval.

9. Special Schedules

The Board may adopt one or more special schedules to the Plan for a particular jurisdiction in order to vary the provisions set out above, but only so far as is necessary to take account of local tax, securities laws, exchange controls and other similar regulatory issues.

10. Life of the Plan

Shareholder approval for the Plan is sought for a period of 10 years and the Plan will terminate on the tenth anniversary of its approval by shareholders, or such earlier time as the Board may determine, but the rights of existing participants will not be affected by this.

Right to attend the AGM

If you want to attend the AGM and vote, you must be on the Company's register of members in the UK at 10.00pm London time on Friday 3 May 2013 or on the Company's branch register of members in Hong Kong at 5.00am Hong Kong time on Tuesday 7 May 2013. This will enable us to determine how many votes you have on a poll. If the AGM is adjourned to a time after 10.00pm London time on Wednesday 8 May 2013, you must be on the appropriate register of members of the Company 48 hours before the time of the adjourned meeting. This will also allow us to confirm how many votes you will have on a poll at such a meeting. If we give you notice of an adjourned meeting we will tell you in the notice when you need to be on the register to be able to attend and vote. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Right to ask questions at the AGM

Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Proxy appointments

If you are an ordinary shareholder you may attend, speak and vote at the AGM or appoint one or more proxy(ies) to exercise all or any of your rights to attend and to speak and vote on your behalf at the Company's AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy may be appointed by any of the following methods:

- Electronic proxy — shareholders on the Hong Kong branch register of members may appoint a proxy electronically, which is a quicker, simpler and more efficient method of appointment. If you wish to submit your proxy form electronically, you will need an internet-enabled PC. For best results we recommend that you use the latest vendor supported release of the following browsers: Microsoft Internet Explorer, Mozilla Firefox or Apple Safari. In addition to improving your experience on the site, upgrading your browser will provide the latest browser security updates. You can then appoint

your proxy online at www.eproxyappointment.com/STDH. You will need your Shareholder Reference Number ('SRN'), and Personal Identification Number ('PIN'), which are stated on the accompanying proxy form to access the service. Your PIN will expire at 6.00pm Hong Kong time on Monday 6 May 2013. Before you can appoint a proxy electronically, you will be asked to agree to the terms and conditions for electronic proxy appointment. It is important that you read these terms and conditions carefully as they will govern the electronic appointment of your proxy;

- Completing and returning the enclosed proxy form to our branch registrar Computershare Hong Kong Investor Services Limited, 17M Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong.

IMPORTANT: Whichever method you choose, any proxy form or other instrument appointing a proxy must be received by the Company's branch registrar no later than 6.00pm Hong Kong time on Monday 6 May 2013 to be valid.

Appointing a proxy electronically or the return of a completed proxy form will not prevent a shareholder attending the AGM and voting in person if s/he wishes to do so.

Nominated persons

Any person to whom this document is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom s/he was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, s/he may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statements under the paragraphs headed 'Proxy appointments' do not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by ordinary shareholders (or by proxy(ies) appointed to act on their behalf) at a general meeting of the Company.

Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Poll voting procedure

The Company will call a poll on all resolutions at the AGM. This allows the votes of both shareholders who have lodged proxies and shareholders who attend the meeting to be taken into account. On arrival at the AGM, all those entitled to vote will be required to register and be given a

personalised poll card with details of your shareholding to be used for the poll vote. At the end of the AGM, the Chairman will ask you to cast your vote by completing the poll card. All the votes present will be counted and added to those received by proxy and the provisional final votes. If you have already voted by proxy you will still be able to vote using the poll card and your vote on the day will replace your proxy vote lodged previously. To facilitate these arrangements, it would be helpful if you could please arrive at the AGM venue in good time and have your attendance pass to hand. If you have submitted your votes online you will need to print the attendance pass provided within the site.

On a poll, every ordinary shareholder present in person or by proxy has one vote for every US\$2.00 nominal value of ordinary shares held. The nominal value of each ordinary share being US\$0.50 means that a member needs to hold four ordinary shares to register one vote on a poll, and Indian Depository Receipts ('IDRs') holders have one vote for every forty IDRs they hold. As at 19 March 2013 (being the latest practicable date prior to the publication of this document), the Company had 2,417,347,011 ordinary shares of US\$0.50 each in issue, none of which were held in treasury. The ordinary shares carry in aggregate 604,336,753 voting rights on a poll.

You can obtain the results of the poll by telephoning our branch registrar on or after Thursday 9 May 2013. The results of the poll will be announced to the London Stock Exchange, The Stock Exchange of Hong Kong Limited, the National Stock Exchange of India Limited and the Bombay Stock Exchange Limited and will appear on our website at <http://investors.standardchartered.com/en/releases.cfm> on Thursday 9 May 2013.

Audit statement

Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
