1. Pursuant to Article 86 of the Company's articles of association, a shareholder qualified to vote at a general meeting may give notice in writing to the secretary of an intention to propose a person for appointment as a director, together with confirmation in writing by that person of his willingness to be appointed as a director. Such a request must be made not later than six weeks before the AGM to which the request relates or, if later, the time notice is given of the AGM. The request may be in hard copy or electronic form, must identify the resolution of which notice is to be given and must be authenticated by the shareholders making it.
3. Under the Companies Act 2006, shareholders holding 5% or more of the fully paid up issued share capital of the Company are also able to require the directors to hold a general meeting at which a resolution proposing the election of a person as a director of the Company is requested to be moved. A request may be in hard copy or electronic form and must be authenticated by the shareholders making it. Where such a request has been duly lodged with the Company, the directors are obliged to call a general meeting within 21 days of becoming subject to the request and must set a date for the meeting not more than 28 days from the date of the issue of the notice.
