As at the date of the AGM, the number of issued ordinary shares of the Company was 3,311,225,409 shares*, which was the total number of shares entitling the holders to attend and vote for or against all resolutions. There was no share entitling the holder to attend and abstain from voting in favour of any of the resolutions as set out in rule 13.40 of the Hong Kong Listing Rules. In accordance with the Company's Articles of Association, on a poll every member has one vote for every four shares held, therefore the total number of voting rights was 827,806,352. Votes withheld are not votes in law and have not been counted in the calculation of the proportion of votes 'for' or 'against' a resolution. Proxy appointments which gave discretion to the Chairman have been included in the 'for' total.

**this excludes any unsettled transactions under the share buy-back programme.*

There were no restrictions on any shareholders casting votes on any of the resolutions proposed at the AGM, save resolution 20. Executive directors of the Company and their associates were required to

abstain from resolution 20 which affected a total of 460,536 voting rights. The scrutineer of the poll was Computershare Investor Services PLC, the Company's Share Registrar.

The resolutions put to shareholders at the AGM today will be submitted to the UK Listing Authority, and will shortly be available for inspection at the UK Listing Authority's National Storage Mechanism, which can be accessed at <http://www.morningstar.co.uk/uk/NSM>.

At the Annual General Meeting of the Company the Chairman, José Viñals; Chief Executive Officer, Bill Winters; and Chair of the Remuneration Committee, Christine Hodgson gave speeches. Further details will shortly be available here: <https://www.sc.com/en/investors/events-and-presentations/aggm/>.

Resolution 4

In relation to Resolution 4, the Board welcomes the majority support for our new directors' remuneration policy. However, we recognise that there were a significant number of votes opposing the resolution.

The new remuneration policy was developed following extensive consultation by the Remuneration Committee with major shareholders, proxy advisors and shareholder representative organisations. Their feedback was valuable and considered carefully by the Remuneration Committee. We put forward to shareholders a policy we believe is responsible and is in the best interests of the Company in the long-term. Whilst the majority of institutional shareholders expressed their support during the consultation process, we were aware that certain shareholders were not supportive of all aspects of the new policy.

The views of all shareholders are important to us and we acknowledge that more needs to be done to understand and address the concerns raised by some shareholders on specific areas of the policy.

We will continue to engage with shareholders on these important issues and on their concerns with the new policy in the forthcoming months. We will publish an update on that engagement within six months of the AGM.
