**Pillar 2: Operations** 

1 Business banking SME and Microfinance lending is the provision of finance to Development Assistance Committee (DAC) lower and middle lower income countries as per the Organisation for Economic Co-operation and Development (OECD). The inclusion of business banking is linked to the "Access to Finance" sub theme within the Group's Green and Sustainable product framework incorporating Employment generation, and programmes designed to prevent and/or alleviate unemployment, including through the potential effect of SME financing and microfinance. With the inclusion of business banking, the Entrepreneur (Lending to SME's and Microfinance) aspirations would be double counted and these aspirations have therefore been retired
