

### Important Information - Revolving Cash Card

Thank you for applying for our revolving card. Please note the following key terms that are associated with your revolving card:

1. We have approved your revolving loan application. Your credit limit can be found in the loan approval letter. We will credit the first drawdown amount (which will be equivalent to 95% of the limit, rounded down to the nearest thousand dollar amount) to your repayment account within 2 business days from the date of approval.
  2. For each cash withdrawal, we charge to your account for the revolving loan a transaction handling fee, whichever is the higher of:
    - (a) **1%** of the withdrawal amount; or
    - (b) **HK\$50**.
  3. We charge an annual fee of **1%** of the limit to your account for the revolving loan on the date of the statement in the next month that we issue you the revolving card and on each anniversary of that date.
  4. You must pay the following voluntary charges ("voluntary charges"):
    - (a) the amount of any cash withdrawal or any payment made by using the revolving card or the PIN/password;
    - (b) any amount we debit to the account for the revolving loan on request; and
    - (c) any other amount we charge to the account for the revolving loan arising from the use of the revolving card or the PIN/password.
  5. You must pay the following involuntary charges ("involuntary charges"), at the rates set out in the tariff sheet, product brochure and elsewhere in our banking agreement, as may be amended by us from time to time:
    - (a) Annual Fee: **1%** of the limit payable on the date of the statement in the next month that we issue you the revolving card and on each anniversary of that date. Unless stated otherwise in our banking agreement, if the revolving card is terminated, we will not refund any annual fee paid. This applies even if the revolving card was terminated before the end of the year for which the annual fee was paid.
    - (b) Lost Card Replacement: **HK\$100** per card account payable when we issue a replacement revolving card.
    - (c) Transaction Handling Fee: **1%** of the transaction amount or **HK\$50** (whichever is the higher) payable when you withdraw funds from the account for the revolving loan.
    - (d) Late Charge and Late Fee:
      - (i) Late Charge: **HK\$100** or **8%** of the Eligible Amount, whichever is higher payable if the minimum monthly repayment set out in a statement we issue is not paid on or before the payment due date set out in that statement. The Eligible Amount equals to the minimum monthly repayment minus the following items:
        - any overlimit amount;
        - any payment made during the current statement cycle or amount of unpaid minimum monthly repayment of the previous statement cycle, whichever is higher.
      - (ii) Late Fee: extra amount of **HK\$100** payable if you fail to pay minimum monthly repayment on 60 days or 90 days after the payment due date as set out in the relevant statements.
    - (e) Interest:
      - (i) We calculate interest on a daily basis on each drawdown or transaction paid for through the use of the revolving card or the PIN/password starting from the date of the drawdown or the relevant transaction and ending on the date of repayment in full.
      - (ii) We do not offer any interest-free period.
      - (iii) Different interest rates may apply to different credit limits from time to time as we determine.
      - (iv) If our records show that within past 6 month period, you fail to pay the monthly minimum payment due amount on or before the payment due date as set out in your relevant statements, we may charge interest on any outstanding amount at a default rate, which is a rate in addition to the prevailing basic interest rate applicable to you. The applicable default rate will be set out in the tariff sheet or approval letter provided to you.
      - (v) If you wish to repay all the balance owing, you must enquire as to your balance owing for the revolving loan on the date of payment through our Customer Service Representative and pay on such date accordingly. Interest continues to accrue on the balance owing for the revolving loan after the date of any statement issued by us and until full repayment. If you pay the outstanding amount specified on a statement after the date of the statement, you may not be able to clear all the balance owing for the revolving loan.
  - (f) Returned Cheque or Direct Debit Authorisation: **HK\$120** payable each time we present a cheque in payment for charges that is not honoured and each time we seek payment for charges by direct debit or autopay instructions and it is not received.
  - (g) Statement Retrieval Fee: **HK\$30** (per statement) for statement issued within the latest 2 months; **HK\$50** (per statement) for statement issued beyond the latest 2 months.
  - (h) Foreign Currency Cheque Repayment: **HK\$100** payable each time we receive a foreign currency cheque to pay for any charges.
  - (i) Credit Balance Withdrawal: **HK\$75** payable each time we issue a cheque or cashier's order after a request for any cash withdrawal from the account for the revolving loan.
  - (j) Overlimit Handling Charge: **HK\$130** payable if outstanding balance for the account for the revolving loan is greater than the credit limit for the account for the revolving loan at any point of time during a statement cycle. The charge payable will be shown in the statement we issue for that relevant statement cycle.
6. We may vary the involuntary charges at any time. We may give you notice in the statement or any other way as set out in our Personal Loan/Personal Line of Credit/Overdraft Terms.
  7. The minimum monthly repayment amount is **HK\$50** or the aggregate amount of the following items on the relevant due date, whichever amount is higher:
    - (a) total unpaid interest, fees and charges (if applicable);
    - (b) the excess amount by which the relevant statement balance exceeds the limit; and
    - (c) 1% of the balance owing excluding 7(a) and 7(b) above.
  8. If you request, we may agree to review your limit at any time.
  9. Your right to use the revolving card ends immediately if:
    - (a) our banking agreement ends;
    - (b) you lose the revolving card; or
    - (c) the revolving card is stolen.
  10. If:
    - (a) you breach our banking agreement;
    - (b) your account for the revolving loan is terminated; or
    - (c) we demand at any time (in our sole and absolute discretion) that you pay the charges referred to in paragraphs (d) and (e) below, then you are immediately liable to pay:
      - (d) total of all charges then outstanding on your account for the revolving loan, whether or not such charges are already reflected in any statement balance of any statement issued by us and whether or not already charged to your account for the revolving loan or due and payable as at the date of the breach, termination or demand (as the case may be); and
      - (e) the amount of any voluntary charges incurred after the breach, termination or demand. Interest is payable on the sums referred to above. We calculate interest on a daily basis, starting from the date when you become liable and ending on the date of repayment in full.
  11. As required by law, we will share your credit data with credit bureau or other regulators.
  12. If you do not pay your monthly dues, we may block your revolving cash card account or any other account with us. This could result in your credit rating being negatively affected and may jeopardize your access to future loans from any reputable lending institution. Please note that we will also take action to collect any unpaid dues, including legal action where necessary.
