

## PENGUMUMAN

### Peningkatan Keamanan Transaksi Kartu Debit

28 Juli 2021

Nasabah yang terhormat,

Dalam rangka meningkatkan keamanan transaksi Kartu Debit Standard Chartered Anda, dengan ini kami informasikan bahwa mulai tanggal 6 Agustus 2021 kami akan menon-aktifkan fitur pembayaran berbasis teknologi magnetic stripe (gesek/swipe) pada Kartu Debit Anda.

Fitur pembayaran terkini berbasis teknologi chip pada Kartu Debit Standard Chartered akan tetap berfungsi seperti biasa. Selain itu, Kartu Debit Standard Chartered tetap dapat digunakan untuk transaksi belanja online di berbagai platform belanja online favorit Anda.

Untuk Informasi lebih lanjut Bapak/Ibu dapat mengakses website kami di <https://www.sc.com/id/important-information/> atau menghubungi Layanan Nasabah 24 Jam Standard Chartered di 021-57999988.

**Hormat Kami,  
Standard Chartered Bank Indonesia**

ANNOUNCEMENT  
Security Improvement on Debit Card Transaction

Dear Valued Customer,

In order to improve the security of your Standard Chartered Debit Card transaction, we would like to inform that starting August 6th, 2021 we will deactivate the payment feature using magnetic stripe (swipe) based technology in your Debit Card.

The updated payment feature using chip-based technology on Standard Chartered Debit Card will function as usual. Standard Chartered Debit Card still can also be used for online purchase transactions in various online shopping platform of your choice.

For further information you can access our website at <https://www.sc.com/id/en/important-information/> or contact our Standard Chartered 24 Hours Customer Service at 021-57999988.

**Regards,  
Standard Chartered Bank Indonesia**
