

Free Transfer from Standard Chartered Bank SC Mobile

Enjoy free transfer fees to any bank throughout Indonesia and at any time using the Standard Chartered Bank SC Mobile Real-Time Transfer service.

You don't need to register the beneficiary account to transfer your fund using SC Mobile

Easy steps to transfer your fund

1

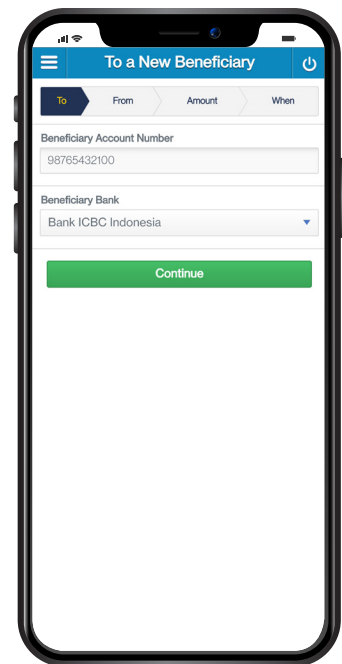

Click menu button (≡) and select *Real Time Transfer*

2

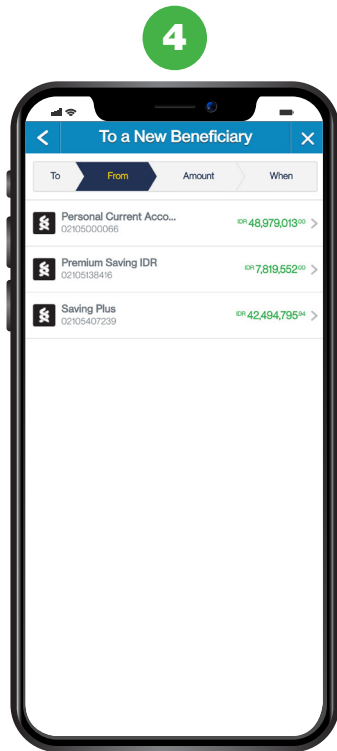

Select *To a New Beneficiary*

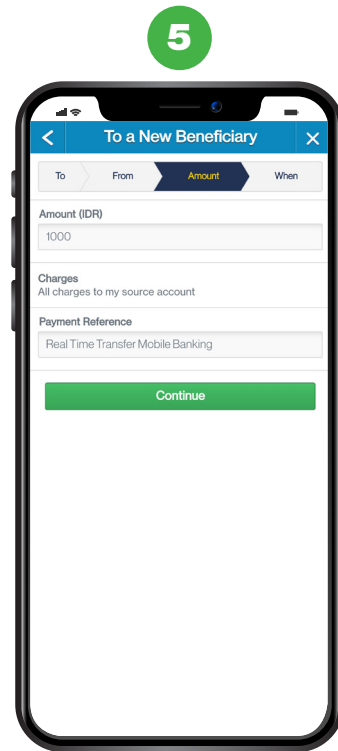

3

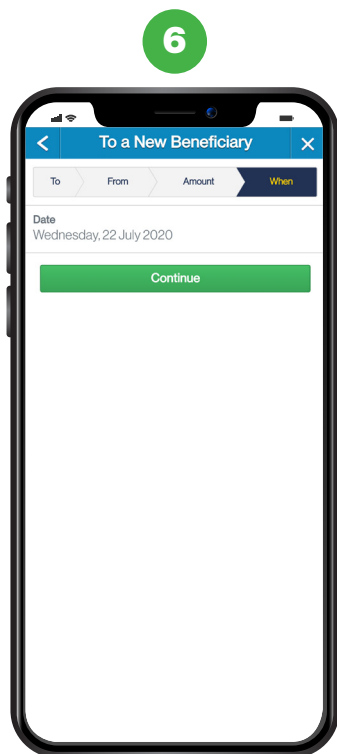

Input beneficiary account & bank and then click *Continue*

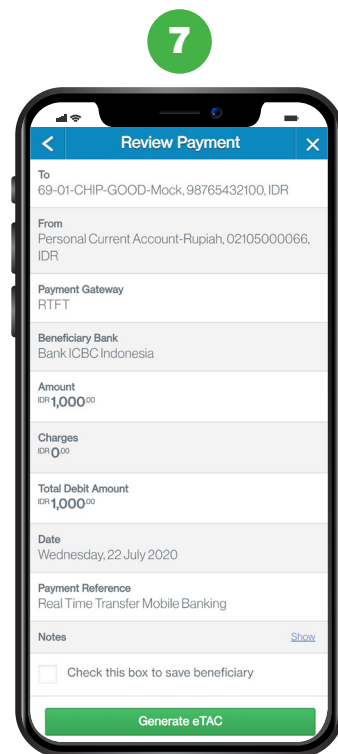

Select your account that will be used as source of fund

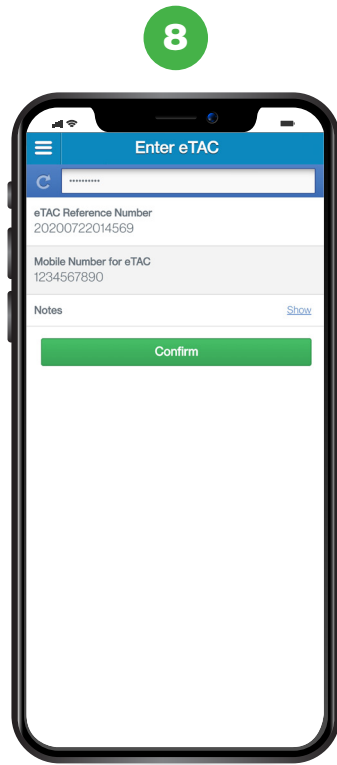

Input transfer amount & payment reference, then click *Continue*

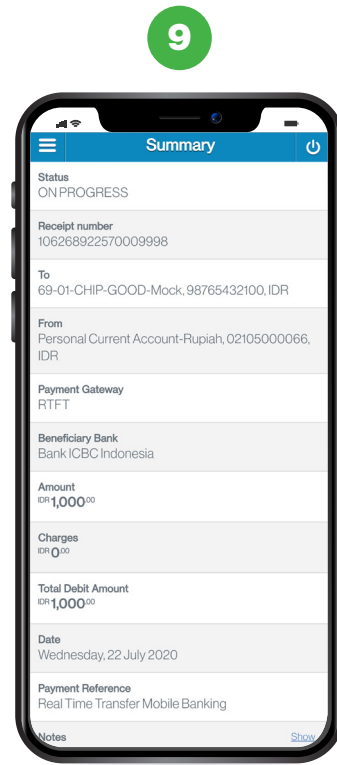

Next, click *Continue*

Review your transfer details
You can click *Check this box to save beneficiary* to save beneficiary account.
If everything is already correct, click *Generate eTAC*.

Next, you will receive eTAC number through SMS on your registered mobile number. Input the eTAC number, then click *Confirm*.

Your transfer is successful. You will see the summary of your transfer transaction. Next, you can select *Another Transfer* to do another transfer or *Transfer History* if you want to see your transfer history.
