*There is no cross currency mark-up applicable if the transaction currency is available on your card. Eg. SGD in Singapore, AED in Dubai etc. This mark-up will be applicable in cases where the transaction currency is different from the ones available in your card.

**Note:

- The charges are not applicable for usage of the card at SCBATMs globally.
- In some countries, additional charges are levied by overseas banks, based on the guidelines of their local regulatory authorities, for usage of non-domestic cards at their local ATMs. Such charges will be additionally debited from your Forex Card balance.

All charges are exclusive of taxes. GST will be levied at the applicable rates in force on all taxable supplies with effect from 1st July, 2017.
