

# First Time Straight2Bank Token Activation

1

Access the Straight2Bank login page through web address: *https://s2b.standardchartered.com/unifiedlogin/login/index.html?source=classic*

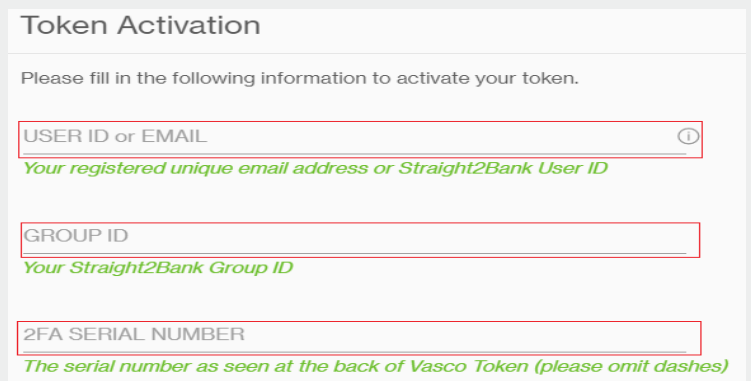

2

Click *Activate Your Device Now*:

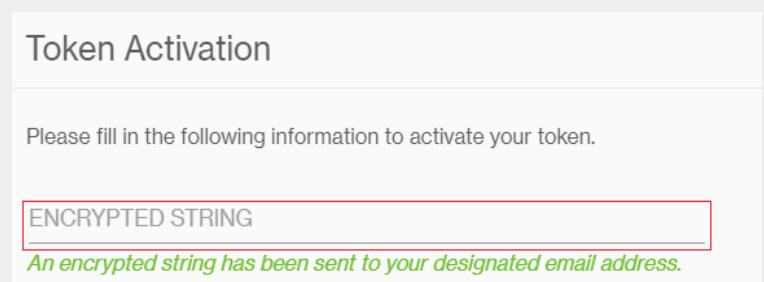

3

Enter Straight2Bank activation credentials – User ID, Group ID, and Token Serial Number (located behind the Token) – as requested on the page. Click *Next*:

4

An Encrypted String is sent to the user's registered email address. Copy and paste the string into Straight2Bank:

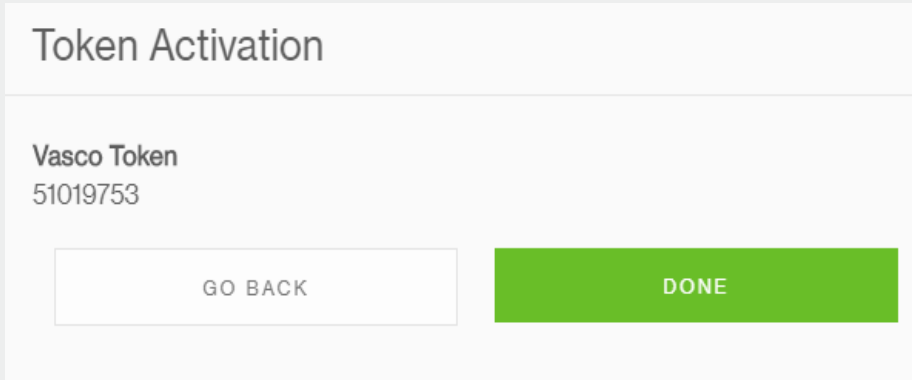

# First Time Straight2Bank Token Activation

continued from page 1

# 5

An Initial PIN will be

# 6

Follow the following sub-steps:

Press The ON button

Put the initial PIN (Generated on screen) and press enter

The token will prompt you to change the pin and display CHANGE PIN

Enter your new Personal numeric PIN

The token will display message PIN CONF

Enter your new PIN again to confirm the change of PIN

# First Time Straight2Bank Token Activation

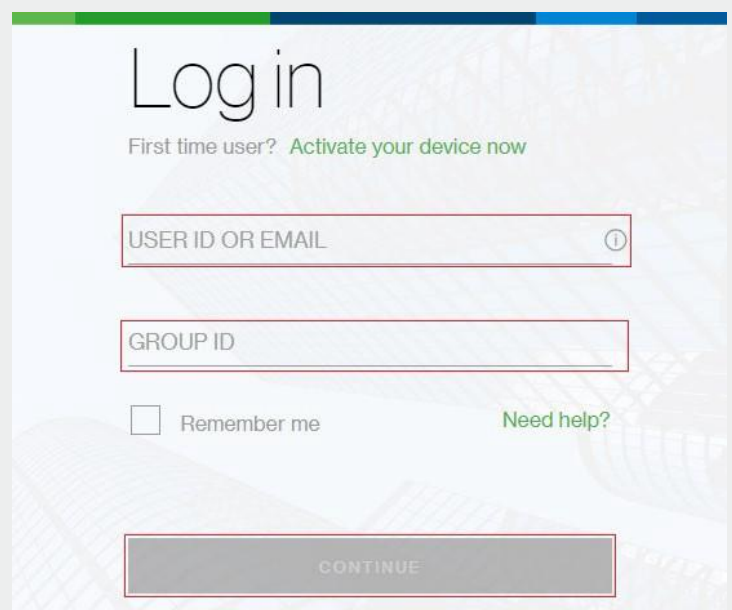

continued from page 2

The token will display the word APPLI. Click *Done* on the Straight2Bank page:

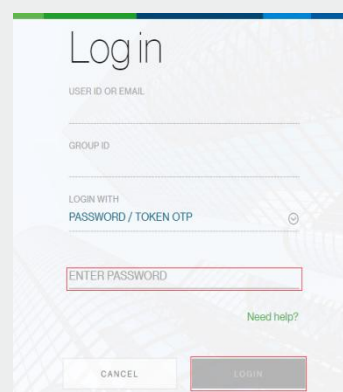

7

Straight2Bank will display the login screen. Key in User ID, Group ID, and then click on *Continue*:

8

Straight2Bank will ask the user to enter password. While the token is still displaying the word APPLI, press number 1 for it to generate the logging in password:

9

The token will generate an 8-digit pass code. Enter the code under Password and then click on *login*
