

► Providing added value to the wealth you earn and send home ◀

In accordance with the Operating Instructions (Ref:33/04/012/0011/017) issued by the Central Bank of Sri Lanka on worker remittances, you now have the opportunity of earning an additional LKR10/- per USD whenever money is remitted and converted to LKR.

Additionally, you can experience hassle-free account openings together with fee waivers upon transferring your wealth from other Standard Chartered accounts from abroad.

This exclusive scheme is valid until 31.01.2022.

Here are the transaction types related to worker remittances that are eligible for this benefit:

- All local transactions converted to LKR from a Personal Foreign Currency Account (PFCA) with proceeds from overseas employment (worker remittances)
- All credits received favouring account holders of Standard Chartered Sri Lanka; being proceeds of inward worker remittances from overseas employment to LKR accounts
- OTC (over the counter) foreign exchange currency note transactions carried out with proceeds from overseas employment (worker remittances)

Steps to avail the incentive:

To avail yourself of this incentive, please process all your LKR denominated transactions from your Foreign Currency Account via any of our Branches.

You can also use our Online Banking channel to avail this incentive. Please forward the request via 'Help and Services - Other Requests' along with the amount to be converted and the account numbers. The conversion will then be conducted by us post assessing your eligibility.
