

Enjoy the convenience of real time fund transfer!

Interbank Fund Transfer (IBFT) service is now available at Standard Chartered Bank's MEPS ATM network.

Standard Chartered Bank's customers have the convenience of making the following real time payments:

- Fund transfers from Standard Chartered accounts to accounts, credit cards & loans maintained at other-banks*, via Standard Chartered ATMs
- Fund transfers from Standard Chartered accounts to accounts, credit cards & loans maintained at other banks*, via other bank's ATMs
- Fund transfers from Standard Chartered accounts to other Standard Chartered accounts, credit cards & loans, via other bank's ATMs*

Please take note that fee of RM4-00 per transaction will be imposed and will be deducted from the debiting account for the above facility.

You may also opt for other alternative for transfer of fund via internet banking for free of charge.

We look forward to making banking even more convenient for you.
Thank you for banking with Standard Chartered.

**applicable to MEPS participating banks only*
