Elise (PsB customer) purchased PRUSignature Reward policy worth RM25,000 APE on 3 November 2020. The proposal has been submitted and she subsequently decided to participate in the Campaign. She placed a TD of RM25,000 for a tenure of 12 months, hence based on the Promotional Rate under Clause 7, the TD Promotional Rate she is entitled is 3.75% p.a.

12 months later, the Bank verified that Elise's Banca policy was still valid and met the Campaign requirements, hence she earned an interest amount of RM937.50 (3.75% X RM25,000).

For the purpose of this Campaign

10. The Eligible Customers will not be eligible for promotional TD / TD-i under this Campaign if:
 - 10.1 the purchase is new Banca Product that is not incepted within the Campaign Period; or
 - 10.2 exercise the cooling-off rights or cancel the purchase of the Banca Products before the TD / TD-i tenure matures; or

Scenario 3

Fung purchased a RM500,000 single premium PRUSignature invest policy on 2 December 2020. Based on Single Premium APE calculation, Fung's recognised APE is 10% of RM500,000 which is RM50,000. Fung subsequently placed RM40,000 TD with the Bank for a tenure of 6 months. Based on the tier table under Clause 7 Fung is entitled to a TD rate of 7.30% p.a. (3.65% for 6 months).

Unfortunately, on 11 December 2020, Fung's PRUSignature invest has been rejected because of the underwriting outcome by the insurance company. With that, Fung is not eligible for this Campaign. Hence, Fung's TD will be uplifted and is not entitled for the Promotional Rate or the interests for the period the TD has been placed.

11. Eligible Customers must place the TD/TD-i within the Allocation Period to enjoy the Promotional Rate. The Bank can perform checks as and when to ensure Eligible Customers comply with the

12. If the purchased Banca policy is surrendered within the Allocation Period, it will be considered as Pre-Mature and the TD will be automatically uplifted without prior notice, and no interest will be paid at any circumstances. For TD-i, Eligible Customers shall instead provide ibra' (rebate) on the total profit that was agreed at the time of your placement of TD-i.
