

National e-Payment Roadshow 2016 – Moving Forward with e-Payments

Bank Negara Malaysia in collaboration with the Association of Banks in Malaysia (ABM), the Association of Islamic Banking Institutions Malaysia (AIBIM) and the National Cards Group (NCG) will be conducting the National e-Payment Roadshow 2016 at 20 towns in 9 states nationwide to create awareness on e-payments. The main objectives of the roadshow this year are to create awareness among individuals and businesses on the benefits of e-payment, its features, access and pricing, as well as to educate the public on safe practices when conducting financial transactions using e-payments. During the roadshow, banking institutions and payment system operators and payment service providers will be showcasing their latest products on card acceptance and online banking besides offering various incentives and promotional packages.
