

Closure of Standard Chartered Branches

Thank you for banking with us.

In line with the Bank's strategy in moving towards becoming a leaner and more efficient bank, our Standard Chartered network will be streamlined in investing towards technology with the closure of these branches effective 28 April 2017. For all accounts maintained at these branches, your account and banking details will be transferred to the nearest branch. You may rest assured of uninterrupted service as there will be no change to your account type or account number. You may also visit us for any banking needs:
