

## Your new WorldMiles World MasterCard® credit card

At Standard Chartered, we are continually improving our products and services to enhance your banking experience. It is our great pleasure to introduce the new suite of travel privileges and rewards to elevate your travel experience with the refreshed Standard Chartered WorldMiles World MasterCard® credit card, which will take into effect from 29 February 2016.

### Faster way to earn AirMiles

Your current AirMiles conversion will change whereby you will now earn 3 WorldMiles Points for every RM2 overseas spend. Points can then be converted to AirMiles of your preferred frequent flyer programme at a revised conversion rate of 2 WorldMiles Points to 1 AirMile.

Below is a table detailing the adjustment in AirMiles conversion and redemption:

Spend to collect	Convert to AirMiles	Travel with partnering frequent flyer programmes
RM <b>2</b> overseas spend = <b>3</b> WorldMiles	<b>2</b> WorldMiles =	<ul style="list-style-type: none"> <li>• Asia Miles</li> <li>• KrisFlyer</li> <li>• Enrich</li> <li>• AirAsia BIG</li> </ul>

In view of the adjustment to the AirMiles conversion, all WorldMiles Points you have earned and unredeemed as of transactions listed in your March 2016 statement will be doubled<sup>1</sup>. We will be crediting the additional WorldMiles points to your credit card account by 15 April 2016.
