Scenario 1

Jessie purchases a PRUAspire policy worth RM500,000 APE on 16 January 2020. The proposal has been submitted and she subsequently places a TD of RM450,000 for a tenure of 3 months. Jessie’s TD placement is entitled for the Promotional Rate as the placement is less than the APE. Hence based on the Promotional Rate tiering table, she is entitled 10.00% p.a.

Scenario 2

Elise purchased PRUSignature policy worth RM100,000 APE on 3 February 2020. The proposal has been submitted and she subsequently decided to participate in the Banca-TD 6.70%. She placed a TD of RM100,000 for a tenure of 12 months, hence based on the Promotional Rate under Clause 7, the TD Promotional Rate she is entitled is 5.00% p.a.

12 months later, the Bank verified that Elise’s Banca policy was still valid and met the Campaign requirements, hence she earned an interest amount of RM5,000 (5.00% X RM100,000).

For the purpose of this Campaign

9. The Eligible Customers will not be eligible for promotional TD / TD-i under this Campaign if:
 - 9.1 the purchase is new Banca Product that is not incepted within the Campaign Period; or
 - 9.2 exercise the cooling-off rights or cancel the purchase of the Banca Products before the TD / TD-i tenure matures; or
 - 9.3 fail to comply or breach any terms and conditions under this Campaign.

Scenario 3

Fung purchased a RM500,000 single premium PRUSignature invest policy on 2 March 2020. Based on Single Premium APE calculation, Fung's recognised APE is 10% of RM500,000 which is RM50,000. Fung subsequently placed RM40,000 TD with the Bank for a tenure of 6 months. Based on the tier table under Clause 7 Fung is entitled to a TD rate of 6.70% p.a. (3.35% for 6 months).

Unfortunately, on 11 March 2020, Fung's PRUSignature invest has been rejected because of the underwriting outcome by the insurance company. With that, Fung is not eligible for this Campaign. Hence, Fung's TD will be uplifted and is not entitled for the Promotional Rate or the interests for the period the TD has been placed.

10. Eligible Customers must place the TD/TD-i within the Allocation Period to enjoy the Promotional Rate. The Bank can perform checks as and when to ensure Eligible Customers comply with the Campaign and if there is any withdrawal or transaction of the TD/TD-i and/or cooling-off right or cancellation of the purchased Banca policy or the purchase of Banca policy is rejected by the insurance/takaful company during the Allocation Period, the Eligible Customers are not entitled to the Promotional Rate or shall provide 'ibra' (rebate) on the difference between the Promotional Rate and prevailing board rate at the time of your placement of TD-i. The TD/TD-i placed will then earn interest/profit at the prevailing board rate for the tenure that the TD/TD-i placed.
11. If the purchased Banca policy is surrendered within the Allocation Period, it will be considered as Pre-Mature and the TD will be automatically uplifted without prior notice, and no interest will

be paid at any circumstances. For TD-i, Eligible Customers shall instead provide 'ibra' (rebate) on the total profit that was agreed at the time of your placement of TD-i.

12. Placements for TD/TD-i in multiple receipts are not allowed and the Primary Account holder name must be same as the purchased Banca policy and vice versa.
13. All TD/TD-i placements under this Campaign will be automatically renewed upon expiry of the Allocation Period at the prevailing board rate for the same tenure as per original placement.
14. The Bank has the rights to cease offering the Promotional Rate without prior notice.
