

Reversal of 1% p.a. JustOne Savings Account Bonus Interest

We wish to inform that excess bonus interest has been posted into your JustOne Savings Account for the month of July 2018 to September 2018. The correct bonus interest to be paid is 1% p.a. and not 2% p.a. as shown.

Kindly note that we have since rectified the error and the reversal of the overpaid bonus interest for the 3 months were posted to your JustOne Savings Account on 31st October 2018 and/or 1st November 2018.

The reversal transaction record will show in your October / November statement as follows: "REVERSAL OF BONUS INTEREST FOR xx18" (xx=07=July; 08=August; 09=September)"

We truly regret on the inconveniences caused.

Rest assured the bonus interest reflected in your account is as per product terms.
