

CLOSURE OF STANDARD CHARTERED SANDAKAN BRANCH

Thank you for banking with us. We have enjoyed serving you at our Sandakan branch.

We are currently streamlining our nationwide retail banking network in response to the fundamental shift in consumer expectation and near-universal adoption of digital channels.

Hence, we regret to inform you that our Sandakan branch will cease operation effective 30 June 2020. We humbly apologise for any inconvenience caused.

Rest assured, we have taken all the necessary measures to provide you uninterrupted service to all your banking needs and there will be no changes to any of your account details and personal information with Standard Chartered Bank.

Notwithstanding the above, our easy self-banking channels such as online banking, mobile banking, and phone banking will be available at all times for you to perform activities such as bill payment, viewing monthly e-Statements, providing you free Interbank fund transfers (both GIRO and Instant Transfer), remittance and many more at your convenience.

Nonetheless, if you intend to visit the branch to perform banking transactions and/or any other activity, please visit us at your nearest branch listed below;
