

## Notice – Standard Chartered Mobile App Forced Upgrade to Latest Version

Please be informed that effective **29<sup>th</sup> July 2020**, we will introduce new/enhanced features in our Malaysia SC Mobile App as part of our continuous efforts to provide the best mobile banking experience to all our clients.

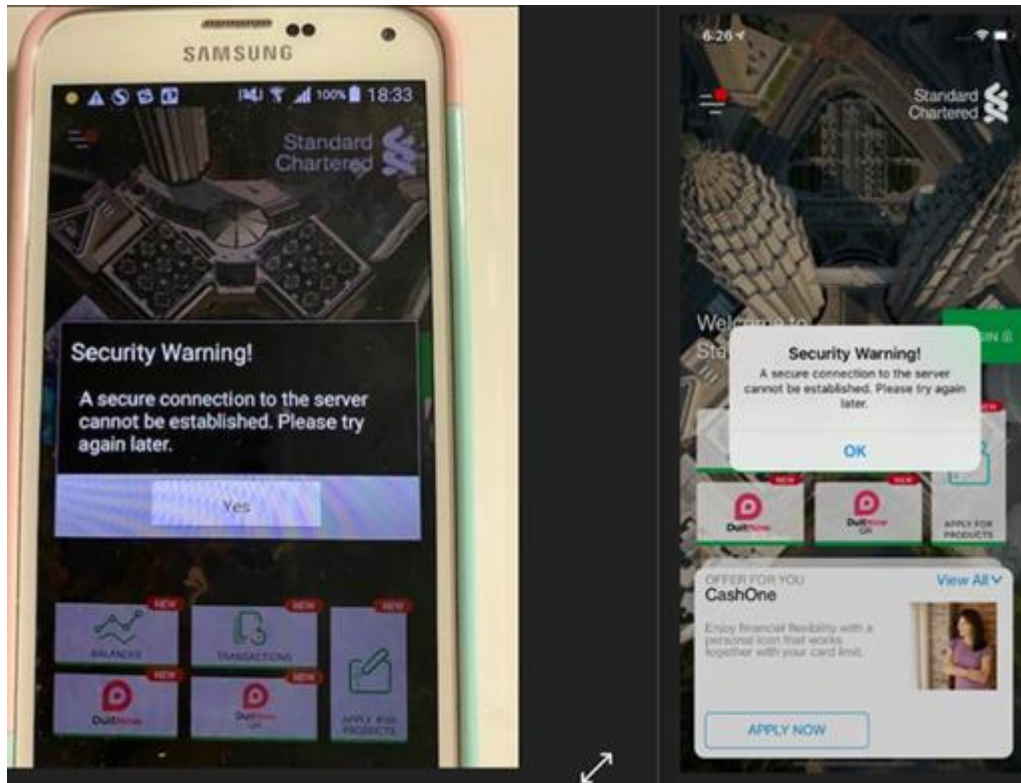

### What does this mean for you?

- a. The forced upgrade of SC Mobile App Malaysia to latest version (**iOS:9.0; Android: 8.0**) will happen on **29<sup>th</sup> July 2020**. When you access SC Mobile App on or after this date, you may be prompted to update to the latest version as per the screenshots below.

- b. If you have auto-app update turned on for your phone, the app will update itself in the background and you may not see this message.

- c. If you did not perform the upgrade by **1<sup>st</sup> August 2020**, you may encounter the error below when trying to access SC Mobile App where the app will not be able to redirect you to the App Store or Play Store for the update. You will be required to search for SC Mobile Malaysia in the App Store or Play Store manually in order to update it to the latest version.
