Dear Valued Client,

Owing to recent communication from Inland Revenue Department, inclusion of PAN detail is mandatory against all Tax Deducted at Source (TDS) including the interest tax. In case of submission without PAN number, customers may not be able to claim such taxes as advance tax.

Accordingly, we request you to please submit your PAN document to the bank at the earliest possible.

If you are registered in our Online Banking service, the details can be updated via Online Banking/ SC Mobile App. through 'other generic requests' options under 'Help and Services' tab.

If you have not yet availed our Online Banking service, you can register yourself by simply calling our 24X7 Client Care Center at 01-4781800.

Thank you for banking with Standard Chartered Bank Nepal Ltd.
