

Dear Client,

We would like to alert you regarding a suspicious webpage that might be hosting mobile application that is claimed to be from the Bank.

Below is the URL/website address of the webpage:

<https://sameapk.com/sc-pk-biometric/>

Standard Chartered would like to remind you that the above webpage and the apps it is hosting is unrelated to the Bank.

The Bank's official website is <https://www.sc.com/pk/> and the Bank's mobile application is only available for download at the Bank's official website, App Store and Google Play store.

Clients should only download the Bank's application from the official channels.

If you are concerned that you may have disclosed sensitive personal information, please report the case to the relevant law enforcement agencies and get your card(s) blocked, PIN(s)/ password(s) changed, etc.

For more information, please contact the Bank's 24-hour client centre at 111 002 002.

Thank you for banking with us.

Best regards,

**Standard Chartered Bank Pakistan Limited**
