

**ACCREDITED INVESTOR OPT IN FORM**

**Section 1: Client Particulars**

<b>Name of Entity</b>	
<b>Registration/Incorporation No.</b>	

**Section 2: Accredited Investor Opt In**

We agree and acknowledge that:

1. We have been preliminarily assessed by Standard Chartered Bank, Singapore Branch and/or Standard Chartered Bank (Singapore) Limited (the “**Bank**”) to be an accredited investor as described in section 4A(1)(a)(i), (ii), (iii) or (iv) of the Securities and Futures Act, Chapter 289 of Singapore.
2. We have been directed to <https://www.sc.com/sg/ai/> where an explanation of the regulatory requirements that the Bank is exempted from complying with when the Bank serves accredited investors is set out. We know and understand the consequences of being treated by the Bank as an accredited investor.
3. We consent to be treated as an accredited investor in respect of (i) all accounts which we hold with the Bank (including deposit accounts and investment accounts); (ii) all transactions booked with or through the Bank; and (iii) the relevant services and products offered by or through the Bank to us. This consent is for the purposes of our relationship with the Bank and (where relevant) other members of the Standard Chartered group. We further consent to the Bank disclosing this to any person that relies on our status as an accredited investor to be eligible to be treated as an accredited investor.
4. Our consent is subject to a processing period to effect the instruction. The Bank will notify us of our investor status within an estimated 14 business days from the date of receipt of this form (or as soon as practicable thereafter).
5. We know that we may at any time withdraw our consent by notifying our relationship manager in writing. The withdrawal is subject to a processing period of 14 business days from the date of receipt of our Accredited Investor Opt Out form. The Bank will notify us once our investor status as a non-accredited investor client has been updated in its records. Until such time, we will still be treated as an accredited investor by the Bank. Any offerings or recommendations of investment products to us, and transactions entered into by us, during this processing period will continue to be exempted under the relevant consent provisions.

**General Warning: Accredited investors are assumed to be better informed, and better able to access resources to protect their own interests, and therefore require less regulatory protection. Investors who agree to be treated as accredited investors therefore forgo the benefit of certain regulatory safeguards. For example, issuers of securities are exempted from issuing a full prospectus registered with the Monetary Authority of Singapore in respect of offers that are made only to accredited investors, and intermediaries are exempted from a number of business conduct requirements when dealing with accredited investors. Investors should consult a professional adviser if they do not understand any consequence of being treated as an accredited investor.**
