2. The Smart Card account must be valid (i.e. must not be suspended, cancelled or terminated), in good standing, and conducted in a proper and satisfactory manner as determined by the Bank in its discretion.

### **Part 1 - Standard Chartered Smart Credit Card EasyPay Promotion Terms and Conditions**

3. The proposition of the Smart Card allows Smart Cardholders to enjoy no service fee in the manner specified in these terms.
4. During the Smart EasyPay Promotion Period, Smart Cardholders will enjoy:
  - a) No service fee for any approved EasyPay *application* with a 3-month tenure, except for EasyPay applications applied on the Excluded Transactions listed in Clause 5 below;
  - b) Waiver on cancellation fee of S\$150 cancellation fee which is imposed if there is any termination of any approved EasyPay instalment plan, early repayment of the approved instalments or on termination of the card.
5. “**Excluded Transactions**” are transactions which are charged by the Bank to a Smart Cardholder’s Card account as a result of the Cardholder’s SC EasyBill and SC Anytime Cash application with the Bank.
6. The Smart Card must be valid (i.e. must not be suspended, cancelled or terminated for any reason during the Promotion Period), in good standing, and conducted in a proper and satisfactory manner at all times, as determined by the Bank in its sole and absolute discretion.
7. In the event the Bank has determined that the Smart Cardholder is not eligible to receive the waiver in this Promotion, or where the Bank has knowledge of subsequent events which would mean that the Smart Cardholder would not have been entitled to receive the waiver, the Bank reserves the right to claw back the waiver or to deduct its value (or such other amount as it deems fit) from the Smart Card account.
8. The Bank reserves the right to debit and/or forfeit the waiver without compensation if the Smart Card account is not valid and/or in good standing, as determined in the Bank’s sole and absolute discretion.

## **Part 2 - Standard Chartered Smart Credit Card Rewards Promotion Terms and Conditions**

9. Under the Smart Rewards Promotion, Smart Cardholders will be eligible to earn 360° Reward Points (as defined in Clause 11 below) on eligible retail transactions (based on transaction posting date) ("**Qualifying Smart Card Transactions**"). Please see Clause 15 below for excluded transactions.
10. The spends made by both the Principal and Supplementary Smart Cardholders will be aggregated for the purposes of calculating the total 360° Rewards Points under this Smart Rewards Promotion. The additional 360° Rewards Points awarded pursuant to Clause 12 below (whether as a result of spends on the principal or supplementary Smart Card) will be credited to the principal Smart Card account.
11. The proposition of the Smart Card allows Smart Cardholders to earn additional *360° Rewards Points* via Qualifying Smart Card Transactions, including Qualifying Merchant Transactions. For the avoidance of doubt, "**Qualifying Merchant Transactions**" are selected merchant spends charged to the Smart Card made at McDonald's, KFC, Subway, Burger King, Ya Kun Kaya Toast, Toast Box, BUS/MRT via SimplyGo, Netflix, Spotify, YouTube, Disney+ in Singapore and each such transaction shall be known as a "**Qualifying Merchant Transaction**".
12. Under this Smart Rewards Promotion, Smart Cardholders **earn one and six tenths (1.6) 360° Reward Points for every S\$1 spent** on Qualifying Smart Card Transactions with the Smart Card (or its equivalent for spends that are not made in Singapore Dollars, where relevant) which enables you to redeem for S\$0.005 cashback (which is equivalent to 0.5% of every S\$1 spent on Qualifying Smart Card Transactions with the Smart) regardless of whether such spends are made in Singapore Dollars or otherwise. The one and six tenths (1.6) *360° Reward Points* is credited when the transaction is posted. Under this Smart Rewards Promotion, if a transaction is charged in local currency (i.e. Singapore Dollars) to a Smart Card and is a Qualifying Merchant Transaction, then for every S\$1 spent on such a transaction, Smart Cardholders will be eligible to **earn an additional seventeen and six tenths (17.6) 360° Reward Points** which enables you to redeem for S\$0.055 cashback (which is equivalent to 5.5% of every S\$1 spent on Qualifying Merchant Transaction) ("**Additional 360° Reward Points**"). The additional seventeen and six tenths (17.6) *360° Reward Points* is aggregated and credited in the following statement cycle.
13. The Smart Cardholder can use the *360° Reward Points* earned to redeem for cashback set out in the manner of Part D of Credit Card Terms. A minimum of 3,200 *360° Rewards Points* is required for each such redemption. A Smart Cardholder can use 3,200 *360° Reward Points* to redeem S\$10 cashback and the *360° Reward Points* earned on Smart Card must be used in blocks of 3,200 *360° Reward Points* to redeem cashback.

Smart Rewards Promotion	360° Reward Points earned (no cap)	Additional 360° Reward Points earned	Total 360° Reward Points awarded	360° Rewards Points redemption
S\$2,000 on merchants that are not Qualifying Merchant Transactions	$2,000 \times 1.6 = 3,200$	0	3,200	3,200 points for S\$10 cashback
S\$167 of Qualifying Merchant Transactions	$167 \times 1.6 = 268$ (rounded up)	$167 \times 17.6 = 2,940$ (rounded up)	$268 + 2,940 = 3,208$	3,200 points for S\$10 cashback

14. There is a cap of 14,400 360° Reward Points (“**Smart Cap**”) on the Additional 360° Reward Points awarded under this Smart Rewards Promotion per month. “**Month**” for purposes of this Smart Rewards Promotion means the period from the statement date of the current calendar month to one day prior to the statement date of the following calendar month. This Smart Cap only applies to the Additional 360° Reward Points. For the avoidance of doubt, the Smart Cap does not apply to the one and six tenths (1.6) 360° Reward Point which the Smart Cardholder is entitled to for every S\$1 spent (in local/foreign currency) spent with the Smart Card under this Smart Rewards Promotion.
