Rewards for Rewards+ Credit Card

The Standard Chartered Rewards+ Credit Card (“Rewards+ Card”) allows you (“Rewards+ Cardholder”) to earn Rewards Points when you (including your supplementary cardholder(s) on your Rewards+ Card account) charge eligible retail transactions (“Qualifying Rewards+ Card Transactions”) (refer to transaction exclusions below) to the Rewards+ Card. Rewards+ Cardholders will, under the Standard Chartered 360° Rewards programme, be eligible to earn one (1) Reward Point for every S$1 (or its equivalent for spends that are not made in Singapore Dollars) on Qualifying Rewards+ Card Transactions and up to four (4) additional Rewards Points for every S$1 spent in Singapore Dollars on Qualifying Dining Transactions. “Qualifying Dining Transactions” are dining spends that are Qualifying Rewards+ Card Transactions and are charged to the Rewards+ Card made at dining establishments in Singapore and overseas classified under the Merchant Category Codes (“MCCs”) of Restaurants and eating places (5811/5812), Fast Food Restaurants (5814) and Pubs & Bars (5813). For avoidance of doubt, purchases from establishments including but not limited to local hotel restaurants (including wedding banquets), bakersies, supermarkets and catering companies that are not under the MCCs stated above will not be considered as Qualifying Dining Transactions for this Promotion. There is a cap of 20,000 Rewards Points (“Rewards+ Cap”) per year on the additional Rewards Points awarded. “Year” for purposes of this Rewards+ Card Promotion means the time period from the Rewards+ Card approval date (or a particular anniversary of such approval date) to the day falling before the next anniversary of such approval date. The Rewards+ Cap will reset every anniversary of the approval date of the relevant Rewards+ Card in question. The following transactions are not Qualifying Rewards+ Card Transactions and will not earn any Rewards Points: a) any cash advance; b) any fees and charges (including but not limited to annual card fees, service fees, interest charges, cheque processing fees, administrative fees, finance charges, and/or late payment charges and other miscellaneous fees and charges) charged to your Rewards+ Card; c) any Card Funds Transfer; d) any monthly instalment of an EasyPay transaction; e) any charges that may be levied to your Rewards+ Card account; f) any transaction that is subsequently cancelled, voided, refunded or reversed; g) any recurring payments or payments made to all billing organisations using Standard Chartered Online Banking; h) any fees or ATM transactions made using the Rewards+ Card; i) any amounts which have been rolled over from the preceding months’ statements; j) any tax refunds credited into your Rewards+ Card account and/or your supplementary Rewards+ Card account; k) any tax charges charged to your Card (and/or your supplementary credit card); l) any insurance premiums charged to your Rewards+ Card (and/or your supplementary credit card); m) any other charge, fee, transaction or payment as we may stipulate from time to time. The Standard Chartered 360° Rewards Programme terms and conditions also apply. **Financial Charges for Purchases**

- **Effective Interest Rate ("EIR"): 26.9% per annum (minimum).** If payment is not made in full by the due date, finance charges will be calculated on a daily basis at 0.074% from the respective transaction dates for all transactions to the date the payment is received.

**Credit Card Funds Transfer**

A one-time non-refundable processing fee will be levied upon the approval of your funds transfer application. The total funds transfer request amount subject to a minimum of $1,000 up to 75% of the total credit limit of the Principal Cardmember's Standard Chartered Credit Card account. Standard Chartered Bank (Singapore) Limited reserves the right to decline any funds transfer application without providing any reason whatsoever.

**Minimum Payment Due**

The minimum payment due payable to all Standard Chartered Credit Card accounts (including Credit Card Funds transfers) is (i) the greater of either $500 or 1% of principal plus interest, fees and charges; plus (ii) any amount over limit and any past due amount; and (iii) the full approved monthly installment of an EasyPay installment Plan.

**Late Payment Charges**

A late payment charge of $500 will be charged if minimum payment due is not received by the due date. The EIR applicable on your credit card will be adjusted to 29.9% per annum if the minimum payment due is not received by the due date. If you have missed only one payment, it will be reinstated to the prevailing EIR once minimum payment due is made in full. If however your account has been twice or more past due on a consecutive basis, the EIR will only revert to 26.9% once minimum payment due for the relevant consecutive months where your account was past due is made in full.

**Overlimit Fee**

If the current balance on your card account exceeds your credit limit, an overlimit fee of $40 will be charged to your card account.

**Non-Payment**

Non-payment of monthly dues will translate into the blocking of your account with Standard Chartered Bank (Singapore) Limited. This will negatively impact your credit rating and may affect your access to future loans from any lending institution. Please note that Standard Chartered Bank (Singapore) Limited will also take action to collect any unpaid dues, including legal action when necessary.

**Foreign Currency Transactions**

All foreign currency transactions (including overseas and online transactions) effected in US Dollars will be converted to Singapore Dollars on the date of conversion. All foreign currency transactions effected in a foreign currency other than US Dollars will be converted into US Dollars before being converted into Singapore Dollars (the "converted Singapore Dollars amount"). The exchange rate may differ from the rate in effect on the date of the transaction due to market fluctuations. Any rate imposed is final and conclusive and you bear all exchange risks, loss, commission, and other bank costs which may be incurred as a result. All conversions will be based on the prevailing wholesale interbank rates or the government-mandated rate, as shall be determined by the respective card associations, namely Visa Inc. ("Visa") or Mastercard International ("Mastercard"). In addition, all foreign currency transactions (including overseas and online transactions) charged to your Card account will be subject to: (i) a prevailing rate of 1% of the converted Singapore Dollar amount representing the charge imposed by Visa/Mastercard on the transaction; and (ii) a prevailing fee of 2.5% of the converted Singapore Dollars amount.

**Dynamic Currency Conversion ("DCC")**

If your foreign currency transactions (including overseas and online transactions) are converted into Singapore Dollars via dynamic currency conversion, which is a service offered at selected overseas ATMs, websites or by certain merchants ("DCC"), you acknowledge and agree that the process of conversion and the exchange rate applied will be determined by the relevant DCC service provider and not by us. In addition, all foreign currency transactions (including overseas and online transactions) converted via DCC will be subject to a prevailing charge of 1% of the transaction amount representing the charge imposed by Visa/Mastercard. In both these cases the transaction is treated as a foreign currency transaction and the process of conversion and the exchange rate applied will be determined by the relevant payment processing intermediary or the Acquirer and not by us.

**Lost / Stolen Card Liability**

If you lose your credit card, please notify us immediately by calling our 24-hour Client Contact Centre at 1800 747 7000. Your liability may be limited to $100 if you comply with clause 7.2 of our Credit Card Terms.

**Credit Bureau Data**

As required by law, we will share your credit data with Credit Bureau (Singapore) Pte Ltd or other regulators.
