4 User Information

Please read the notes below before you fill up this section:

- Definition of User Roles
 - Administrator – For user management (creation, modification and deletion of user assigned 'Operator' and/or 'Viewer' role and the corresponding service entitlements) as well as token management.
 - Operator – Create all types of transactions.
 - Viewer – View account details and transactions.
 - Authoriser – Approve transactions.
- For **New User**, please indicate your **preferred User ID** (min 3, max 10 characters with no spacing between characters and no symbols). The Bank will assign User ID at its sole discretion if the Preferred User ID is left blank or cannot be allocated.
- For New or Existing User assigned an '**Authoriser**' role, please submit a certified true copy of your identification document together with this application form.
