

FAQ – Quasi- cash transactions under Merchant Category Code (MCC) category 7995

1. What are quasi-cash transactions?

Quasi-cash transactions involve any transaction, other than an ATM transaction, involving the placing of a wager, the purchase of a lottery ticket, spread betting, in-flight commerce gaming, or the purchase of chips or other value usable for gambling in conjunction with gambling activities provided by wagering or betting establishments such as casinos, race tracks, card parlors, airlines, and the like.

2. What are the applicable fees and charges related to this transaction?

Cash advance fee per transaction will be charged in addition to the finance charges on the amount withdrawn from the date of the transaction until the date of full payment.

For more information, please refer to the pricing guide on sc.com/sg website.

3. Which merchants can process transactions with this quasi-cash MCC

Gambling related merchants can process transactions with this MCC. However, please check directly with the merchant on what is the MCC that they are using.

Examples of MCC 7995 transactions: Quasi- cash transactions at merchants such as Marina Bay Sands Resorts World Sentosa and Dream Cruises.
