

JumpStart Step-Up Interest Terms and Conditions

1. The Step-Up Interest is applicable to all new and existing clients of Standard Chartered Bank (Singapore) Limited ("Standard Chartered" or the "Bank") who hold a JumpStart Account ("Eligible Account") and an Online Unit Trust account or a SC Online Trading account (collectively, "Investment Accounts"). To open an Investment Account, you must be at least 21 years old at the time of application for such account. These account holders shall be referred to as "you" in these terms and conditions.
2. You will be eligible to receive Base Interest (as defined below) on your account balance and Step-Up Interest (as defined below) on the first S\$50,000 balance only ("Eligible Deposit Amount") in an Eligible Account.
3. "Base Interest" is the prevailing interest that a customer is entitled to on their account balances in the Eligible Account based on the prevailing interest rate. "Step-Up Interest" is the additional interest on the Eligible Deposit Amount in an Eligible Account, calculated based on the Step-Up Interest Rate of 0.50% p.a., which you can earn by completing a Wealth Quest (according to the criteria set out in clause 7 below).
4. You are eligible to earn Step-Up Interest on the Eligible Deposit Amount in an Eligible Account in the calendar month that you complete a Wealth Quest ("Quest Month"). For avoidance of doubt, if you complete a Wealth Quest in January, Step Up Interest will be earned on the Eligible Deposit Amount in an Eligible Account in January. Step-Up Interest shall be computed based on the average daily balance ("ADB") in your Eligible Account (up to the Eligible Deposit Amount). **Average daily balance or ADB** means the sum of end-of-day balances in an account for each day in that month divided by the number of days in that month.
5. Step Up Interest earned in any given calendar month shall be credited to the Eligible Account by the next calendar month.
6. We may change the basis and rates of the prevailing Base Interest and Step-Up Interest at any time with prior notice.

How to get the Step-Up Interest?

8. The Step-Up Interest for an Eligible Account is capped at the rate set out in clause 3, regardless of the number of Wealth Quests completed or the number of times Wealth Quest Requirements are fulfilled during the Quest Month.
9. In the event there is no active Eligible Account to which the Step-Up Interest may be credited, the Bank reserves the right not to make payment of such Step-Up Interest and you agree that your Step-Up Interest shall be forfeited. In the event of any dispute, you agree that the Bank’s decision is final and binding on you.
10. In the event the Bank has determined that you are not eligible to receive the Step-Up Interest or where the Bank has knowledge of subsequent events which would mean that you would not have been entitled to receive the Step-Up Interest, but such Step-Up Interest has already been credited to you, the Bank reserves the right to claw back the Step-Up Interest or to deduct the value (or such other amount as it deems fit) from your other account(s) with the Bank.

Such event including but not limited to the following:
