

Managing your business is easier than ever with Straight2Bank, a complete working capital platform for all your transaction, information and hedging needs. Now you can do all this online.

Getting Started

1 First time login to Straight2Bank using a password

i. Go to Straight2Bank Website

- Go to Straight2Bank Website - <https://s2b.standardchartered.com>
- Enter your Group ID and User ID (You can find this information on the Welcome Letter)
- Click on the “Login” button to proceed

ii. Enter temporary password

- Enter your temporary password and click on the “Proceed” button. Your temporary password has been sent via email from Standard Chartered Bank with the email subject “Straight2Bank User Login Password”.

iii. Enter answer to challenge question

- Enter your answer to the challenge question and click on the “Submit” button. The Default Answers to the challenge questions are as follows:

| Challenge Question | Answer |
|--|----------|
| What is your all-time favourite sports team? | CHELSEA |
| What is your favourite TV Channel? | TV |
| Who was your childhood hero? | SUPERMAN |

iv. Define your own password

- Enter the temporary password in the “Old Password” field and input your new password in “New Password” field and “Confirm Password” field, then click the “Proceed” button.

Note: The password is case sensitive and should be 6-10 alphanumeric digits without THREE repeating characters

2 Subsequent login to Straight2Bank using a password

i. Go to Straight2Bank Website

- Go to Straight2Bank Website - <https://s2b.standardchartered.com>
- Enter your Group ID and User ID
- Click on the “Login” button to proceed

ii. Enter password

- Enter your existing password and click on the “Proceed” button

3 First time login to Straight2Bank using a Vasco Token

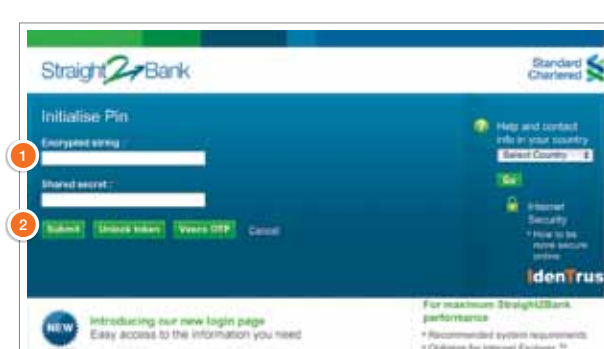

i. Initialize Token

- Go to Straight2Bank Website - <https://s2b.standardchartered.com>
- Enter your Group ID and User ID (You can find this information on the Welcome Letter)
- Click on the “Login” button to proceed

ii. Input Encrypted String & Shared Secret pair

- Enter the Encrypted String which is sent via email from Standard Chartered Bank with email subject “Straight2Bank Security Token Activation”
- Input Shared Secret (or Personal Identification Phrase)
- Click on the “Submit” button to proceed

iii. Generate Vasco Response

A VASCO response will be shown. Input the response in the token and define your own PIN for the token as specified in next step.

iv. Define Vasco Pin

- Press the “On” button
- Token screen will display message ‘-----’
- Token screen will display message “Initial Pin”
- Input the 6-digit “Initial Pin” obtained from Step iii
- Token will prompt you to change the Pin and display “New Pin”
- Enter your own 8-digit numeric personal security PIN
- System will display message PIN CONF
- Enter the “New Pin” again to confirm the change of PIN

4 Subsequent login to Straight2Bank using a Vasco token

i. Go to Straight2Bank Website

- Go to Straight2Bank Website - <https://s2b.standardchartered.com>
- Enter your Group ID and User ID
- Click on the “Login” button to proceed

ii. Get Vasco OTP

- Press the “On” button
- Token screen will display message ‘-----’
- Input your 8-digit Vasco PIN
- Token will display “Appli_____”
- Press 1 on the token
- System will display an 8-digit number, which is the Vasco OTP

iii. Enter One-time password (OTP)

Enter the OTP you get from the token and click on the “Proceed” button.
