1 Choosing the account that is right for you

We offer a variety of *current/cheque accounts*, *fixed deposits* and *savings accounts* designed to suit your personal banking needs. The particular types of *current/cheque accounts*, *fixed deposits* and *savings accounts* we offer are set out in the *tariff booklet*. If you need us to explain any of the features of, or the terms applying to any *current/cheque account*, *fixed deposit* or *savings account*, please contact us (see under "How to contact us" on the cover page of these terms and conditions).

2 Savings accounts

Minimum or maximum age for some savings accounts

- 2.1 The minimum age to apply for a *savings account* is 18 years. Accounts opened for minors are operated by parents / guardians until the minor becomes of age.

No cheque book

- 2.2 *Savings accounts* do not include a cheque book.

Interest

- 2.3 If you have a credit balance on a *savings account* you may be entitled to receive interest depending on the type of *account* (see the *tariff booklet*). The rate of interest may be fixed or varied as we determine. We pay interest quarterly or at other regular intervals we determine.

- Interest is calculated on a compound basis for a *savings account* in local currency;
- Interest calculation is uniform across all currencies and is calculated on a compound basis.

- 2.4 Interest accrues daily and is calculated based on your *savings account* credit balance as per the pricing structure below:

- Uganda shillings and British Pounds: Interest is calculated based on 365 days per annum or 366 days per annum in case of a leap year;
- For any other accounts opened in other currencies accepted by the Bank, interest is calculated on 360 days per annum

ATM cards

- 2.5 The bank only issues *ATM cards* to ordinary savings account holders.

3 Fixed deposits

Minimum age for fixed deposits

- 3.1 The minimum age requirement for opening a *fixed deposit* account is 18 years and above

Interest on fixed deposits

- 3.2 Interest on a *fixed deposit* is paid at a tiered interest rate based on the principal amount and tenor. The applicable interest rate is available by contacting us at **any** of our branches.

Withdrawals before maturity

- 3.3 Some types of *fixed deposits* may allow you to make a maximum number of withdrawals during the term of the *fixed deposit* without incurring any fee or affecting the interest rate. We may also allow an early withdrawal in other circumstances. However, charges may apply and we may not pay all the interest accrued if you make an early withdrawal. More details on arrangements for interest payable on amounts withdrawn early are available by contacting us.

- 3.4 Interest accrues daily and if the credit balance of the *fixed deposit account* is denominated in:

- Uganda Shillings, we calculate interest on the basis of a 365 day year (a 366 day year in the case of a leap year);
- any other currency acceptable by the bank, we calculate interest on the basis of a 360 day year (or any other basis we choose)

Maturity of fixed deposit

- 3.5 If a *fixed deposit*:
- is denominated in Uganda Shillings and matures on a day on which banks are not open for general banking business in Uganda, then the date is extended to the next banking day; or
 - is denominated in any other currency acceptable by the bank and matures on a day on which banks are not open for general banking business in Uganda and any other city we specify for that currency, then the date is extended to the next banking day.

- 3.6 You must instruct us in writing (or any other way we agree to accept) before the

maturity date (and in the case of *foreign currency deposits*, at least two banking days before the maturity date) whether you want:

- to renew the *fixed deposit*; or
- us to pay you the principal and interest on the maturity date.

If you do not instruct us, we may renew the *fixed deposit* for a similar term with interest at the prevailing interest rate for the term. However, we have no obligation to do so.

- 3.7 Interest ceases to be payable after the maturity date unless the *fixed deposit* is renewed.

Additional funds

- 3.8 If we receive additional funds for deposit without instructions, we may place them on deposit for successive terms of one month until you instruct us otherwise. Any interest payable on the additional funds is calculated by us in accordance with our usual practice

4 Current/cheque accounts

Current/cheque accounts are accounts operated using a cheque book.

Minimum age

- 4.1 The minimum age requirement to apply for a *current/cheque account* is 18 years

Interest

- 4.2 Interest is not payable on a *current/cheque account* unless specified in the *tariff booklet* for the particular type of *current/cheque account*.

Cheque books

- 4.3 When you open a *current/cheque account* we issue you with a cheque book. You must keep cheque books secure (including keeping them in a safe place - please refer to the security procedures set out in the Client Terms or the first pages of our cheque book).
- 4.4 New cheque book orders can be made either by filling out the application form in the cheque book or electronically through our online banking platform. The bank reserves the right to issue or decline issuance of a new cheque book and may not necessarily give any reason for decline.
- 4.5 When you receive your cheque book you should check that the account number and names are correct.

Writing cheques

- 4.6 You or an *authorised person* must be careful when writing cheques to prevent fraud by forgery. For example, when writing cheques, you or an *authorised person* must:

- only use cheques in the form we have issued;
- write in non-erasable ink or ballpoint pen;
- write the words and figure of the amount as close as possible to each other and to the left-hand margin in order not to leave space for insertions;
- add the word 'only' after the amount stated in words;
- never pre-sign a blank cheque ;
- if sending cheques by post, delete the words 'or bearer' (to make the cheque an 'order' cheque) and cross the cheque with two parallel lines;
- not alter the cheque (including deleting the words 'or bearer') unless confirmed by their full signature;
- not use correction fluid.

We may dishonour and return any cheques that are not completed in accordance with these procedures, post-dated or out of date or otherwise not in a form acceptable to us.

If the words 'or bearer' are not deleted the cheque is a 'bearer cheque' and may be deposited by anyone holding the cheque.

You can protect yourself by crossing a cheque with two parallel lines as the cheque must then be paid into the payee's account rather than 'on demand'.

Fees & charges

- 4.7 Fees and charges apply to cheques including stop fees, dishonour fees and fees if a cheque is returned to us for any reason (refer to the *tariff booklet*).

If you have an overdraft facility on your current/cheque accounts

Overdraft facility

- 4.8 We may allow you to use an overdraft facility on a *current/cheque account* if you have an overall credit balance on your

savings account, time deposit and current/cheque account.

- 4.9 The overdraft facility may be used to draw cheques and for direct debit payment arrangements.
- 4.10 We set a limit for the overdraft facility and if the *current/cheque account* balance exceeds the limit then you must immediately make payment to reduce the balance to or below the limit. We may increase or decrease the limit at any time.
- 4.11 We charge interest on the debit balance of the overdraft facility calculated in accordance with the *tariff*. We debit any accrued interest from the *current/cheque account* on a monthly basis.
- 4.12 We do not take into account any uncleared funds in calculating the unused portion of the overdraft facility.
- 4.13 Interest accrues daily and if your *current/cheque account* is denominated in:
- Uganda Shillings, we calculate interest on the basis of a 365 day year (a 366 day year in the case of a leap year);
 - Any other currency acceptable by the bank, we calculate interest on the basis of a 360 day year (or any other basis we choose).

5 Foreign currency

Deposits of foreign currency are generally made into a form of *savings account* or *time deposit*. However, foreign currency *current/cheque accounts* may also be available. charges that may be imposed by third parties.

However, we may decline to receive collection of drafts drawn in favour of third parties or if the payee's name is not identical to your name in our records;

We return dishonoured drafts to your last notified address at your risk and *cost*.

- 5.4 If you have an existing foreign currency *fixed deposit* and we receive additional foreign currency funds with no specific instructions, we may place them in any type of *account* we determine for a minimum of one month. However, if the additional funds are below our minimum deposit amounts, we may place them in an existing *account* in the same currency and with the interest rate and the earliest maturity date we determine.

Withdrawal

- 5.5 A *foreign currency deposit* which is a *fixed deposit* may not be withdrawn before the maturity date. However, we may allow withdrawal before the maturity date subject to any conditions we may impose (including a period of notice, reduced or nil interest, fees and other charges).
- 5.6 If you make a withdrawal of a *foreign currency deposit* and the *foreign currency deposit* is denominated in:

- British Pounds or US Dollars, we may (but not need to) make available to you the proceeds of your withdrawal on the same day as your withdrawal;
- Any other foreign currency, you must notify us of your intention to make the withdrawal at least two banking days before you make the withdrawal.

- 5.7 We may make the proceeds of any *foreign currency deposit* available to you in any currency (including Uganda Shillings or US Dollars) despite the deposit being made in a different currency.

Foreign exchange controls

- 5.11 *Foreign currency deposits*, and all transactions linked to them, are subject to any applicable exchange control laws.

Exchange risk

- 5.12 You acknowledge that:
- you are aware of the risk of interest rate and exchange rate fluctuations and the effect that such fluctuations may have on the credit balances on the *account*;
 - Adverse exchange rate movements could result in the credit balance (even after interest is credited) being less than the amount you deposit.

6 Average monthly balances

- 6.1 We may require you to maintain an average monthly balance on the *accounts* we specify. For details on any required average monthly balance, see the *tariff booklet* or elsewhere in our banking agreement. Please contact us for further details.
- 6.2 If a minimum balance or a minimum aggregate balance applies to an *account* and the balance falls below the required minimum we:
- need not accept any instruction or allow any transaction on an *account* which would cause the balance to fall below the minimum balance;
 - may charge a monthly maintenance fee if applicable
 - need not pay interest on the relevant *accounts*;
 - may close the relevant *accounts*.
- 6.3 If the balance of an *account* falls below its required average monthly balance, you must pay any applicable fees (the details of which are available by contacting us at any of our branches or our website www.sc.com/ug).

- 7.8 If a cheque or other instrument is presented which is payable to a third party or it appears to belong or to have belonged to someone else (called a "third party cheque"), we may refuse to accept it for deposit or refuse to cash it. If we agree to accept or cash a third party cheque we may require you or an *authorised person* to comply with additional conditions.

Clearance of payments

- 7.9 We do our best to process all cheques and other instruments within a reasonable period of time. However, if they are deposited after any cut off time we specify, they may not be processed until the following banking day. Clearance times may vary.
- 7.10 The proceeds of cheques and other payment instruments deposited, or funds transferred electronically cannot normally be withdrawn until cleared. However, we may from time to time allow withdrawals of deposits from your account to be made in other countries subject to conditions we may impose, and you agree that we may withdraw any such permission at any time without notice. 9 Dormant accounts

What is a dormant account?

- 9.1 If no withdrawal, deposit, fund transfer or use of *electronic banking services* other than direct debit or periodic payment arrangement is made for 24 consecutive months for a current or saving account or such other period that we notify to you, we classify the *account* as dormant.
