¹Annual Fee is charged every year and is payable in the first month statement of every billing year even if card is not activated.

²First year annual fee of Platinum CashBack supplementary card will be rebated (which is the cashback amount of VND 100,000) if there is at least one (01) transaction made and posted by the supplementary card within 60 days from the supplementary card issuance date. The eligible transactions are herein spend transaction or cash withdraw. The cashback amount will be credited into primary credit card account within 60 days from the date the first eligible transaction is posted on the Bank's system.
