

Termination of Safe Custody Services

Following earlier advice to affected clients and other press advertisements, Standard Chartered Bank Zimbabwe Limited, wishes to remind all those who have previously lodged items for Safe Custody with the Bank, that it is regrettably no longer offering this service.

If you have lodged items with the Bank, you are requested to collect them from our Africa Unity Square Branch by 31 December 2019, upon producing the relevant identification documents and Safe Custody receipt which was issued when the item was lodged. Post this date, the Bank will open these items.
